PREAMBLE

PURPOSE

This Agreement states, in writing, the agreement reached by representatives of the County of Sacramento (hereafter "County") and the California Nurses Association (hereafter "Association"). This Agreement has been reached pursuant to procedures implementing the Meyers-Miliias-Brown Act for the purpose of promoting harmonious relations between the County and its employees represented by the Association.

ARTICLE I – RECOGNITION AND COVERAGE

1.1 RECOGNITION

a. The County recognizes the Association as the exclusive negotiating agent in matters of wages, hours, and other terms and conditions of employment for all employees in the Nurses Unit.

b. The Association recognizes the County Executive or their designee as the negotiating representative for the County and shall negotiate exclusively with them or their designee, except as otherwise specifically spelled out in this Agreement.

1.2 COVERAGE

a. The Nurses Unit consists of all employees in the following classifications:

28138 Medical Case Management Nurse
28198 Nurse Practitioner
28288 Psychiatric Nurse
28259 Public Health Nurse, Level I
28260 Public Health Nurse, Level II
28336 Registered Nurse, Level I
28337 Registered Nurse, Level II
28333 Registered Nurse D/CF, Level I
28334 Registered Nurse D/CF, Level II
28289 Senior Psychiatric Nurse
28257 Senior Public Health Nurse

b. This Agreement applies only to employees in the above-described representation unit.

c. The County agrees that it will not agree to inclusion of any classifications of registered nurses in another representation unit.

ARTICLE II – ASSOCIATION RIGHTS

2.1 ASSOCIATION SECURITY

a. It is the intent of this Article to provide for payroll deductions of Union members to be deducted from their warrants insofar as permitted by law. CNA shall provide the County with a list of employees for whom membership dues should be deducted from the paycheck. CNA shall provide the County with any subsequent modifications to that list. The County shall initiate deductions in accordance with the information provided by CNA.

b. Political Education and Action Fund: The County agrees to administer a voluntary check-off of employee contributions to the Union's political education and action fund as soon as administratively possible, but no later than twelve (12) months after ratification. The program shall include the following provisions:

- (1) Contributions to the political education and action fund are voluntary for employees.
- (2) The Union is responsible for obtaining check-off authorization from each employee who wishes to have a voluntary payroll deduction and for notifying the County as provided above.
- (3) The authorization is for regular recurring payroll deductions and is not used for one-time payroll deductions, and the deductions will be on the same schedule as dues deductions.

c. The Association agrees to indemnify, defend, and hold the County harmless against any claims made of any nature whatsoever against any suit instituted against the County arising from its checkoff of organization dues and deductions for the Association-sponsored long-term disability plan.

d. The County provides an electronic orientation. The Union shall be allowed access to newly oriented employees as follows:

The County will provide CNA with a list of attendees at each orientation including a County email address if applicable.

- (1) Employees will be allowed 30 minutes not in addition to the time in 2.4a. to attend a virtual union orientation scheduled by CNA. The employee must notify their supervisor reasonably in advance in order to secure this paid release time. Such time shall not be unreasonably denied.
- (2) Employees shall be provided an opportunity to attend the virtual union orientation in a location where they will not be interrupted or

overheard by others. This does not guarantee a private indoor space. Where such indoor space is unavailable, employees shall be allowed to participate in an outdoor space, including in their vehicles if parked in the worksite lot.

- (3) CNA will provide the County with annual schedule of meeting dates and times.
- (4) Should the County return to an in-person orientation, it agrees to meet and confer with CNA over CNA's access to employees participating in such in-person New Employee Orientation.

e. Pursuant to the provisions of SB1085/Government Code 3558.8, the County shall grant an employee, upon written request of the Association, a reasonable leave of absence without loss of compensation or other benefits, for the purposes of enabling employees to serve as stewards or officers of the Association. Leave may be granted on a full-time, part-time, periodic, or intermittent basis under the following procedures:

- (1) The Association Representative shall submit in a written request to Human Resources at least 15 business days in advance of the requested leave. The request shall include dates/duration, classification, and bargaining unit.
- (2) For any employee going on Association Leave of Absence, who is on medical leave, the Association will ensure compliance with all medical restrictions.

At the conclusion or termination of the leave granted under this section, the employee shall have the right to reinstatement to the same position and location they held prior to such leave, or if not feasible, a substantially similar position without loss of pay, benefits, accrual rates, seniority, rank, or classification.

Association Leave of Absence is separate from and different from any other leaves and or rights to release for employees allowed under the MMBA or other articles within this agreement.

The County shall not be liable for any act, omission, or injury suffered by any employee of the County if that act, omission or injury occurs during the course and scope of the employee's leave under this section to work for the Association. To the extent that the County is held liable for any such act, omission or injury, the Association shall indemnify and hold harmless the County.

f. The Association agrees to pay the County for all release time expended by County employees representing the Association for any purpose other than meeting with management in general negotiations or in a grievance or arbitration hearing. The involved employee will enter any such time expended in the designated area on the time sheet for Union Release Time. The County shall bill the Association for the amount of

compensation paid to the employee for such time. The total compensation shall be computed at 1.27 times the "9" step salary rate. The Association shall reimburse the County no later than the end of the full biweekly pay period following the billing. If any billing is not paid within fifteen (15) days of the due date, the County is authorized to deduct the amount of that billing from the amount due to the Association as deducted from the payroll of employees in the unit. The County agrees that, except for business necessity, release time paid for by the Association shall not be denied.

2.2 ASSOCIATION NOTICES AND MEETINGS

a. The Association may use County conference rooms and similar building facilities for meetings with employees in the unit it represents; may post material on bulletin boards located (as provided below) to serve employees in the unit it represents; and may visit work locations to confer with its members regarding grievances or other business within the scope of representation or otherwise provided for within this Agreement.

b. Use of County meeting facilities requires reasonable advance notice to the appropriate County official and is subject to County use of such facilities; provided, however, that once scheduled, such Association meetings may not be canceled by the County except under emergency situations. The County may establish reasonable regulations governing the use of County facilities as provided by this section.

c. Each facility shall provide and shall mutually agree with the Association's designee to a central and convenient location(s) for a minimum of one (1) bulletin board for each one hundred (100) nurses or portion thereof on the staff. If nurses in one (1) agency are regularly assigned to a work location substantially removed from the headquarters of the agency, the provisions of this paragraph shall apply to each and every such work location. No publication shall be posted by the Association which indicates County action or approval when none has been given.

d. Duly authorized representatives of the Association shall be permitted, at all times that employees in the unit it represents are working, to enter the facilities operated by the County for the purpose of transacting Association business and to observe conditions under which nurses are employed and carry out their responsibilities; provided, however, that the Association's representative shall, upon arrival at the facility, notify the appropriate facility manager of the intent to apply this paragraph. The Association representative shall advise the manager of the areas that they wish to visit. Access shall not be unreasonably denied. If denied, the reason or reasons for denial must be stated.

2.3 NURSE REPRESENTATIVES

a. The County recognizes and agrees to deal with designated representatives of the Association on all matters relating to grievances and the interpretation, application,

or enforcement of the express terms of this Agreement. Only employees in the unit represented by the Association shall be permitted County-time off to represent employees on grievances.

b. A written list of the representatives serving each work area or County organizational unit, broken down by department, shall be furnished the County immediately after their designation, and the Association shall notify County promptly of any changes of such representatives. Representatives shall not be recognized by the County until such lists or changes thereto are received.

c. The number of representatives shall be no more than five (5).

d. Upon request of the aggrieved employee, the Association representative may investigate the grievance or dispute, provided it is in their area of responsibility, and assist in its presentation. They shall be allowed a reasonable time for this purpose during working hours without loss of pay, subject to prior notification and approval by their immediate supervisor. For investigations which take him/her physically outside their regular work area, such notification shall be on a form prescribed by the County, which will state the amount of time spent for the purpose. When a representative is investigating grievances within their regular work area, the prior notification and approval of immediate supervisor may be oral and the form need not be used; however, the representative shall accurately record on the employee time sheet all on-duty time spent investigating grievances. The assignment of more than one (1) representative or officer who is an employee to handle a grievance shall be subject to prior approval of the County Executive or their representative and approval shall not be unreasonably delayed or withheld.

e. Only full-time regular employees who are designated Association representatives receive paid release time for grievance handling.

2.4 APPLICATION OF PERSONNEL ORDINANCE

a. The Board of Supervisors shall maintain in the Personnel Ordinance (Chapter 2.78, Sacramento County Code) the following section:

2.78.020 APPLICATION OF CHAPTER. This Chapter shall not apply to any employees in a representation unit created pursuant to Chapter 2.79 to the extent to which this chapter is inconsistent with the terms of an Agreement or a Memorandum of Understanding covering such employee.

b. The statement of this modification shall not be construed to make any matter not expressly covered by this Agreement subject to a grievance procedure provided by such Agreement.

2.5 DIVERSITY & EQUITY

The County is committed to developing, nurturing, and sustaining an equitable community and workforce where all individuals can thrive. The County strives to ensure that equity, diversity and inclusion is embedded at all levels of Sacramento County programs and departments. The County is committed to being transparent and creating an inclusive environment.

a. The parties agree that CNA may select a Nurse representative to attend any non-executive level existing Department committees working on the issue of Diversity Equity and Inclusion (DEI). Unless otherwise agreed upon, release time will be provided for one (1) selected nurse to attend on County Time without loss of pay.

b. The County, upon request from the union, will allow the union to conduct a demographic survey solicited through the County email system, providing bargaining unit employees an anonymous opportunity to self-identify with respect to among other things, race/ethnicity, national background, educational background, sexual orientation, gender identity, age, and creed. The solicitation email will include a link to the survey which will take employees away from any County based storage system and all data received will be maintained and protected by the association.

ARTICLE III – COUNTY RIGHTS

3.1 COUNTY RIGHTS

a. The rights of the County include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; train, direct, and assign its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of County operations; determine the methods, means and personnel by which County operations are conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work; provided, however, that the exercise of such County right shall not conflict with the express provisions of this Agreement. The County has the right to make reasonable rules and regulations pertaining to employees consistent with this Agreement.

b. This Agreement is not intended to, nor may it be construed to, modify the provisions of the Charter relating to civil service or personnel administration. The Civil Service Commission shall continue to exercise authority over classification of jobs and procedures and standards of selection for employment and promotion.

c. This Agreement is not intended to restrict consultation with employee organizations regarding matters within the right of the County to determine.

d. This provision is not subject to the Grievance and Arbitration Procedure as set forth in Article V of this Agreement.

ARTICLE IV – GENERAL PROVISIONS

4.1 NON-DISCRIMINATION & HARASSMENT

a. There shall be no discrimination by the County against any nurse on account of membership in or activity on behalf of the Association pursuant to the Meyers-Milias-Brown Act (California Government Code Section 3500 et seq).

b. Pursuant to the County's Discrimination, Harassment and Retaliation Policy (Policy # 601), and applicable Federal and State Laws, there shall be no discrimination by the County or Association against any employed nurse or nurse applicant because of their protected class/status:

- (1) Race, color
- (2) Ancestry, national origin
- (3) Religion, creed
- (4) Age (40 and over)
- (5) Disability, mental and physical
- (6) Sex, gender (including pregnancy, childbirth, breastfeeding or related medical conditions)
- (7) Sexual orientation
- (8) Gender identity, gender expression
- (9) Medical condition
- (10) Genetic information
- (11) Political Affiliation or Belief
- (12) Marital Status
- (13) Military or veteran status
- (14) Reproductive health decision making
- (15) Request for Family Medical Leave
- (16) Former Illegal Drug User who has successfully rehabilitated and is no longer using drugs
- (17) Other Protected Status under applicable Federal and State Laws

The County is committed to providing a work environment free from discrimination and unlawful harassment. Pursuant to the County's Discrimination, Harassment and Retaliation Policy, the County will not tolerate adverse conduct toward an individual based on any of the characteristics described above or otherwise protected by law. The County's Discrimination, Harassment and Retaliation Policy (Policy #601) will be available to bargaining unit members on the County website or upon request.

Pursuant to the County's Discrimination, Harassment and Retaliation Policy (Policy #601), the County will investigate all complaints of discrimination or harassment and will take all complaints of discrimination or harassment and will take all reasonable steps to

protect a bargaining unit member who reports such conduct from continuing discrimination or harassment. The County will inform all witnesses of the County's prohibition against retaliation. The County will take all reasonable measures to ensure that any individual filing a complaint or participating in an investigation is protected from retaliation. Instances of retaliation should be reported immediately so that the appropriate action can be taken. A bargaining unit member who reports unlawful discrimination or harassment as defined in this Article and/or County policy, shall have the opportunity to be accompanied by a Nurse Representative or Association Representative to any meeting(s) related to the complaint. Within a reasonable amount of time from the completion of the investigation, the County will notify the reporting employee that the investigation is concluded and if the claims were substantiated.

c. The Association recognizes its responsibility as designated negotiating agent and agrees to represent all bargaining unit employees equally without discrimination, interference, restraint, or coercion.

4.2 STRIKES AND LOCKOUTS

a. No lockout of employees shall be instituted by the County during the term of this Agreement.

b. The Association agrees that during the term of this Agreement neither it nor its officers, employees or members will engage in, encourage, sanction, support, or suggest any strikes (including economic strikes, sympathy strikes, and unfair labor practice strikes), work stoppages, boycotts, slowdowns, mass resignations, mass absenteeism, picketing or any other similar actions which would involve suspension of, or interference with the normal work of the County. In the event that the Association members participate in such activities in violation of this provision, the Association shall notify those members so engaged to cease and desist from such activities and shall instruct the members to return to their normal duties. Any employee participating in these prohibited activities may be disciplined by the County.

4.3 NURSE PRACTICE ACT

a. No nurse shall be required to practice in a manner which:

(1) Jeopardizes a patient's health or safety.

(2) Exceeds limits of RN Licensure as defined by the Nurse Practice Act.

If a nurse believes that circumstances are present which may jeopardize a patient's health or safety, which may include but not be limited to short staffing or an overload of cases, the nurse is encouraged to file an Assignment Despite Objection (ADO) form and shall immediately report the details of the situation to the person in charge. No nurse shall be required or expected to do the duties of two positions concurrently. This does not

preclude a nurse from being floated to a different assignment or role in the same shift to fulfil County need. No nurse shall be disciplined for submitting an Assignment Despite Objection form or advocating for safe patient care.

- b. This provision is not subject to arbitration through the grievance procedure.

ARTICLE V – GRIEVANCE AND ARBITRATION PROCEDURE

5.1 PURPOSE

a. Employees' grievances shall be recognized and reviewed in accordance with this procedure.

- b. The purposes of this procedure are:

- (1) To resolve grievances informally at the employee-supervisor level, if possible;
- (2) To provide an orderly procedure for reviewing and resolving grievances promptly;
- (3) To determine and correct, if possible, the causes of grievances;
- (4) To encourage communication between employees and those in higher authority.

5.2 DEFINITIONS

a. A "grievance" is a complaint of one (1) or a group of employees alleging a violation of the express terms of this Agreement. A grievance may also be a dispute between the County and Association alleging a violation of the express terms of this Agreement. Where the following procedure refers to an employee, that procedure shall be deemed applicable to the Association, except that the time in which to file a grievance shall not be extended because the Association did not have knowledge of the event or circumstance or circumstances causing the grievance, provided that event or circumstance is one which any employee within the representation unit could have grieved.

b. As used in this procedure the term "immediate supervisor" means the individual who assigns, reviews, and directs the work of an employee.

5.3 TIME LIMITS

Each party involved in a grievance shall act quickly so that the grievance may be resolved promptly. Every effort should be made to complete action within the time limits

contained in this grievance procedure, but with the written consent of both parties, the time limitation for any step may be extended. In the event the grievance is not appealed to the next step as prescribed by this procedure, the grievance shall be deemed withdrawn.

5.4 PRESENTATION

An employee may present a grievance while on duty. The grievant may be represented by the Association or an Association representative or both at all steps in presentation of that grievance.

5.5 EMPLOYEE RIGHTS

The employee retains all rights conferred by Section 3500, et seq., of the Government Code or Chapter 2.79 of the Sacramento County Code.

5.6 APPLICATION

Grievances, as defined in Section 5.2, shall be brought through this procedure. Other grievance procedures shall not apply to employees covered by this Agreement for any purpose whatsoever.

5.7 INFORMAL DISCUSSION

The employee first shall discuss their grievance informally with their immediate supervisor. Within five (5) workdays, the immediate supervisor shall give the decision or response to the employee. An employee may initiate a formal or an informal grievance at a level within their department above their immediate supervisor when they have reason to believe that the nature of the grievance is such that it should not be discussed with their immediate supervisor. In such cases, the employee must have a reason for bypassing the immediate supervisor.

5.8 FORMAL GRIEVANCE - STEP 1

a. If an informal grievance as provided by Section 5.7 is not resolved to the employee's satisfaction, or if there is reason to bypass the informal step, a formal grievance may be initiated.

b. A formal grievance may be initiated no later than:

- (1) Fifteen (15) workdays after the event or circumstance occasioning the grievance was known or should have been known to the aggrieved employee; or

(2) Within ten (10) workdays of the decision rendered in the informal grievance procedure, whichever is later.

c. However, if the informal grievance procedure is not initiated within the period specified in Subsection (1), the period in which to bring the grievance shall not be extended by Subsection (2).

d. A formal grievance shall be initiated in writing on a form prescribed by the County.

e. The formal grievance shall be initiated by filing with the person designated by the appointing authority as the first level of appeal. The employee may be represented by an Association representative.

f. Within ten (10) workdays after the initiation of the formal grievance, the person designated by the appointing authority shall investigate the grievance, confer with the employee in an attempt to resolve the grievance, and give the decision in writing to the employee.

5.9 FORMAL GRIEVANCE - STEP 2

a. If the employee is not satisfied with the decision rendered pursuant to Section 5.8, they may appeal the decision within five (5) workdays to the appointing authority, or their designee.

b. Within ten (10) workdays following receipt of the grievance, the appointing authority or their designee shall investigate the grievance, confer with the employee in an attempt to resolve the grievance, and give their decision in writing to the employee.

5.10 FORMAL GRIEVANCE - STEP 3

a. If the employee is not satisfied with the decision rendered pursuant to Step 2, the grievant may appeal the decision within ten (10) workdays to Step 3.

b. The Step 3 appeal shall be considered a formal request for a meeting and a written decision by the County Executive or their designee. The meeting should be held within twenty (20) working days from receipt of the appeal to Step 3.

c. There shall be two (2) tracks to solve the grievance at Step 3. The Association shall reserve the right to choose either:

(1) Third step appeal as described in Section 5.10-d.; or

(2) Mediation as described in Section 5.10-e.

d. Hearing and Response - Step 3:

- (1) If the Association chooses not to utilize mediation, and the grievant is not satisfied with the decision rendered pursuant to Step 2, the grievant may appeal the decision with ten (10) workdays to the County Executive. The employee may be represented by an Association representative.
- (2) The County Executive or their designated representative shall either (1) respond in writing within ten (10) workdays to the grievant, or (2) give, within five (5) workdays, written notice to the grievant that the grievance is being referred to a grievance meeting within ten (10) workdays following receipt of the grievance. The County Executive or their designated representative shall respond in writing to the grievance within ten (10) workdays following the grievance meeting.

e. Mediation:

- (1) Grievances appealed to Step 3 may be submitted by the Association to mediation. Mediation shall take place on the first and third Tuesday of each calendar month. Subsequent days for mediation will be scheduled, if necessary. The parties agree to mutually select a panel of mediators. If the parties are unable to select a panel of mediators, they shall utilize the State Mediation and Conciliation Service.
- (2) Under no case shall the adjustment or resolution of the grievance at this level exceed forty (40) working days from the date of their appeal to Step 3, unless extended by mutual agreement of the parties. If not extended, The Association may appeal the grievance to arbitration.
 - (a) Mediators who have been selected by the parties to mediate grievance disputes will be scheduled on a rotating and available basis.
 - (b) The parties agree to meet annually in May to review the mediators listed above. The list of mediators for the subsequent year shall be mutually agreed upon, but should the parties be unable to agree on a new list, the previous list will continue until such time as a new list is agreed to or the State Mediation and Conciliation Service are utilized.
 - (c) All costs of the mediator, if any shall be borne equally by the parties. No party shall purposely withhold information at this level but shall disclose all information relevant to the grievance for consideration by the other party.
- (3) Mediation Procedures: The mediation procedure shall be entirely

informal in nature. The primary effort of the mediator shall be to assist the parties in settling the stated grievance in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one (1) party. However, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. All persons involved in the events giving rise to the grievance should be encouraged to participate fully in the proceeding, both by stating their views and by asking questions of the other participants at the mediation hearing. The rules of evidence will not apply and no record of the proceedings will be made. Neither attorneys nor court reporters or any other type of note taker shall be allowed to be present at the proceedings.

- (4) If settlement is not possible, the mediator shall provide the parties with an immediate bench opinion, based on the stated grievance and the collective bargaining agreement, as to how the grievance would be decided if it went to arbitration. That opinion would not be final or binding, but would be advisory. It would be delivered orally and would be accompanied by a statement of the reasons for the mediator's opinion. The advisory opinion may be used as the basis for further settlement discussions or for withdrawal or granting of the grievance. If the grievance is not settled, granted or withdrawn, the parties are free to arbitrate. If they do, the mediator shall not serve as arbitrator, and no offers or concessions made by the parties or the mediator during mediation can be used against a party during arbitration.
- (5) If the parties agree to be bound by a mediator's recommendation, the subsequent agreement shall be reduced to writing and signed by the parties.
- (6) Any grievance not resolved within twenty (20) working days of the initial mediation session with no subsequent mediation session(s) scheduled and which the Association wishes to pursue may be appealed by the Association to arbitration within ten (10) working days.

5.11 ARBITRATION - STEP 4

If the County Executive or their designated representative fails to respond in writing as provided in Section 5.10, or if the response is not satisfactory to the Association, the Association shall have the right to refer the matter to binding arbitration.

Such referral shall be made by written demand submitted to the County Executive within ten (10) workdays of receipt of their decision.

5.12 PROCEDURE FOR DISCOVERY

a. **Personal Service:** At any time after the hearing date has been set for an appeal, but in no event later than thirty (30) calendar days before the date set for such hearing, any party may personally serve a written request upon the responding party, or representative of record, for information that is necessary and relevant to prosecution of the Grievance as defined in Government Code 3500 et. seq. The requesting party shall bear the full cost of any discovery request.

b. **Service by Mail:** At any time after the hearing date has been set for an appeal, but in no event later than thirty-five (35) calendar days before the date set for such hearing, any party may serve, by first-class mail, a written request upon the responding party, or representative of record, for any or all of the information set forth in Subsection a. above. The effective date of service shall be the date of the postmark.

c. **Response:** Within twenty (20) calendar days of receiving the request mentioned in (a) and (b) above, the responding party shall prepare and serve a response to the request. Such response shall be served upon the requesting party, or representative of record, by the same means as service of the request was made.

d. **Request to be Deemed Continuing Request:** The discovery request is a continuing request, which requires a continuous response. Where new or additional information becomes available to the responding party, such information shall forthwith be furnished to the requesting party, or representative of record.

e. **Negative Response:** In the event the responding party does not have an item of the information requested, the responding party shall give a written negative response as to that particular item within the time specified for response, but shall respond fully as to the information which the responding party does possess. The responding party shall comply with (d) above after such negative response.

f. **Disputes:** Any dispute between parties regarding discovery, or either party's failure to comply with the discovery process, shall be resolved by the arbitrator.

5.13 RESPONSE

If the County fails to respond to a grievance within the time limits specified for that step, the grievant shall have the right to appeal to the next step.

5.14 COPY OF DECISION

At each step of the formal grievance procedure, a copy of the decision shall be sent to the Association at the same time as the decision is sent to the grievant.

5.15 SELECTION OF ARBITRATOR

The parties to the proceedings shall be deemed to be the County and the Association, and no employee, group of employees or other persons shall be deemed to be parties to the proceedings.

The parties shall agree on an arbitrator. If they are unable to agree on an arbitrator, they shall jointly solicit from the State of California Mediation/Conciliation Service a list of five (5) arbitrators. After receipt of the list, the parties shall each alternate striking names from the list until one (1) name remains. If the sole remaining arbitrator declines appointment or is otherwise unavailable, the above process shall be repeated unless the parties are able to mutually agree upon an arbitrator.

5.16 DECISION

a. The decision of the arbitrator shall be final and binding.

b. The arbitrator shall have no authority to add to, delete or alter any provisions of this Agreement nor shall the arbitrator substitute their discretion in any case where the County is given or retains such discretion. The arbitrator shall limit their decision to the application and interpretation of the provisions of this Agreement. This subsection does not authorize the County to exercise its discretion in an arbitrary or capricious manner.

5.17 COSTS

The fees and expenses of the arbitrator and the court reporter, if required by the arbitrator or requested by either party, shall be shared equally by the parties.

5.18 WITNESSES

The County agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant to this Agreement. The Association agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

A Patient Care Employee will be entitled to a maximum of two (2) hours of pay at their regular rate of pay for each workday that the employee misses both a meal break and a rest break.

For the purpose of this section, lack of relief sufficient to enable nurses to leave the duty station shall be interpreted as work time for the nurse without such relief.

b. The County will endeavor to provide an uninterrupted meal period, however, it is recognized that scheduling of meal periods may vary on a day-to-day basis depending upon patient care responsibilities.

c. If the work situation permits a meal period to be taken, nurses may be permitted an unpaid meal period of not less than thirty (30) minutes nor more than one (1) hour.

b. If the employee is assigned to a Sheriff's Department's facility, the following procedure shall be followed:

- (1) The employee shall receive no compensation if notified that the subpoena or appearance is canceled before 1:00 p.m. of the work day or court day immediately preceding the appearance.
- (2) The employee shall otherwise receive two (2) hours compensation at the overtime rate if the subpoena or appearance is canceled after 1:00 p.m. of the workday or court day immediately preceding the scheduled appearance but before the time of such appearance, provided:
 - (a) Between 1:00 p.m. of the day immediately preceding the appearance and 8:00 a.m. of the day of the appearance, the employee's name appears upon a recorded telephone answering device which can be called by the employee during those hours to find out about the cancellation of the subpoena or appearance. (A copy of the tape shall be maintained by the Sheriff's Department Court Liaison Officer for thirty [30] calendar days following the date the name was placed on the tape.)
- (3) The employee shall receive four (4) hours straight time if after 8:00 a.m. but before the scheduled appearance, the employee contacts the Sheriff's Department Court Liaison Officer and determines that the subpoena or appearance has been canceled.
- (4) Four (4) hours straight time will be granted for court time when remaining available at the direction of the Deputy District Attorney issuing a subpoena on the date for which the subpoena is issued. Thereafter, four (4) hours will be granted for court time only upon prior authorization of the Court Liaison Office unless a new subpoena is issued.

c. Where appearances on the same day are separated by four (4) or more hours, the employee shall be compensated a minimum of four (4) hours at the overtime rate of each appearance.

d. In no case shall an employee receive more than one and one-half (1-1/2) times their normal hourly rate for any hour served either in a court appearance or in any combination with compensation for remaining available or for late cancellation.

e. If an employee is called into court two (2) hours prior to start of their shift, that employee will be entitled to two (2) hours overtime at time and one-half (1-1/2).

f. A nurse called into court shall be compensated at the time and one-half (1-1/2) rate from the time of the scheduled appearance until they are released. This overtime compensated period includes any recesses or meal periods called by the court. (This means no unpaid lunch periods shall be required to be deducted from the total court time overtime compensation.)

6.11 9/80 WORK SCHEDULES

a. An appointing authority, with the prior approval of the County Executive, may approve requests of employees covered by this Agreement in their department to work a 9/80 work schedule.

b. For employees who do not receive time and one-half (1-1/2) overtime pay, the workweek will remain from 12:00 a.m. on Sunday to 12:00 a.m. the following Sunday, a period of seven (7) consecutive twenty-four (24) hour periods.

- (1) For these employees, the 9/80 work schedule is a schedule which during one (1) week of the biweekly pay period the employee is scheduled to work four (4) nine-hour workshifts for a total of thirty-six (36) hours, and during the other week of the pay period, is scheduled to work four (4) nine-hour workshifts and one (1) eight-hour workshift.
- (2) For these employees working the 9/80 work schedule who are eligible to earn straight-time overtime, overtime shall be earned when the employee is required to work in excess of nine (9) hours when normally scheduled to work the nine-hour workshift, and in excess of eight (8) hours when normally scheduled to work the eight-hour workshift. Overtime shall also be earned when an employee eligible for overtime is required to work in excess of thirty-six (36) hours during the week the employee is scheduled to

work thirty-six (36) hours, or in excess of forty-four (44) hours during the week the employee is scheduled to work forty-four (44) hours.

- (3) When determining overtime eligibility, pursuant to Section 6.11, all paid leave except sick leave shall be counted as time worked.

c. For employees who do receive time and one-half (1-1/2) overtime pay, the individual employee's workweek must be redesignated by the County so that it commences in the middle of the eight-hour workshift as described in Subsection b.(1) above. This redesignated workweek must be in writing and specifically state the day of the week and time of day that the workweek commences and the effective date of the redesignated workweek. This must be completed and approved prior to the employee working the 9/80 schedule, and be filed in the employee's personnel file. This redesignated workweek must be changed prior to the employee altering the day of the week or time of day that the eight-hour workshift occurs; the redesignated workweek must always commence during the middle of the eight-hour workshift. This redesignated workweek must also be changed back to the standard Sunday through Saturday workweek upon the employee moving off of the 9/80 work schedule.

- (1) For these employees, the 9/80 work schedule is a schedule in which during each redesignated workweek the employee works four (4) nine-hour workshifts and one (1) four-hour workshift. The two (2) four-hour workshifts are worked consecutively in a manner to constitute one (1) eight-hour work period, similar to the eight-hour workshift provided in Subsection b.(1) above.
- (2) For these employees, overtime shall be earned when the employee is required to work in excess of nine (9) hours when normally scheduled to work the nine-hour workshift, and in excess of forty (40) hours during the redesignated workweek. Additionally, overtime will be earned when the employee is required to work more than four (4) hours when normally scheduled to work either of the four-hour workshifts. All paid leave except sick leave shall be counted as time worked.

d. Employees working a 9/80 schedule shall take an unpaid meal period in the middle of their nine-hour and eight-hour workshifts, or between the two (2) four-hour workshifts, consistent with Section 6.8. Employees may receive one (1) rest period during the first half of the employee's nine-hour or eight-hour workshift and one (1) rest period during the second half of the nine-hour or eight-hour workshift, consistent with Section 6.4. Employees who work two (2) four-hour workshifts may receive one (1) rest period during each four-hour workshift.

e. An employee shall be granted a holiday that falls on the employee's scheduled eight-hour workshift. If the holiday falls on the scheduled nine-hour workshift, the remaining hour must be taken off as leave first from accumulated compensating time off (CTO) or holiday in lieu (HIL), and second from accumulated vacation time; and, if

there are no leave balances, then leave without pay. If the holiday falls when the employee is scheduled to work the two (2) four-hour workshifts, then both four-hour workshifts shall be deemed to be the holiday. If a holiday falls on an employee's scheduled day off, the employee shall accrue eight (8) hours compensating time off.

f. Full shift absences on vacation, sick leave, compensating time off, or holiday in lieu taken by employees on a scheduled nine-hour workshift shall result in the deduction of nine (9) hours from the employee's accrued leave balances. Full shift absences on the eight-hour workshift shall result in the deduction of eight (8) hours from the employee's accrued leave balances. Full shift absences from either four-hour workshift shall result in the deduction of four (4) hours from the employees accrued leave balances.

g. Employees may return to the standard five-day, forty-hour workweek upon the approval of their appointing authority.

h. The appointing authority shall have the right to return employee(s) to the standard five-day, forty-hour workweek schedule after providing advance written notice of two (2) full pay periods to the affected employee(s).

6.12 7/12 WORK SCHEDULE

The parties agree to meet and confer regarding the implementation of a 7/12 work schedule in the Correctional Health Division. If the parties mutually agree on such implementation, the 7/12 work schedule shall be governed as follows:

- a. Employees may be assigned by the County to a work schedule consisting of seven (7) workdays of twelve (12) hours each during a biweekly pay period. During one (1) week of the biweekly pay period, employees will work three (3) workdays of twelve (12) hours each, and during the other week, they will work four (4) workdays of twelve (12) hours each. The 7/12 workweek shall be redesignated so that the week commences in the middle of the last 12-hour workshift in the 4-day workweek and ends the following week on the same day and time, a period of seven (7) consecutive twenty-four (24) hour periods.
- b. Employees who work in excess of forty (40) hours per workweek shall be paid overtime as stated in Section 6.2. When determining overtime eligibility pursuant to Section 6.12, all paid leave except sick leave shall be counted as time worked.
- c. The 7/12 work schedule consists of eighty-four (84) hours per pay period. The additional four (4) hours above the standard 40-hour workweek shall be considered as overtime as provided in Section 6.2-c.
- d. The four (4) hours of overtime described in Section 6.2-c. shall be treated

as overtime for all purposes and shall not be a factor or credit for purposes of step advancement, paid leave accruals, seniority, or any other benefit towards which overtime work is excluded in the benefit calculation. No provision of this Agreement shall be interpreted in a manner which gives the employees assigned to the 7/12 schedule greater compensation or a larger monetary benefit than that same benefit as applied to employees assigned to the five-day/eight-hours schedule.

- e. For training purposes, an employee's 7/12 workweek schedule may be modified to a schedule combining both the 8-hour workday and the 12-hour workday. An example of such a combination could be the substitution of three (3) 8-hour workdays for two (2) 12-hour workdays. In such cases, the employee shall be provided five (5) days' notice. Any change in the 7/12 workweek schedule for training purposes is not intended to modify the workweek to less than eighty (80) hours in the biweekly pay period.
- f. It is agreed that the 7/12 work schedule is being implemented on a trial basis. It is further understood that the County will be continually examining both the short-term and long-term implications and impact of the 7/12 work schedule. It is also understood that the first full evaluation period of this work schedule shall be its first six-month period of operation.
- g. It is also understood that the County's payroll system is not designed to handle the 7/12 work schedule as set forth in the Agreement. Therefore, it is understood that employees on the 7/12 schedule may be given instructions to complete their timesheets in a manner to provide them the correct gross pay, even though the procedure utilized may not be accurate per the timesheet categories or would be a procedure not allowable for any other employee not on the 7/12 schedule.
- h. Employees on the 7/12 work schedule shall terminate all off-duty employment a minimum of twelve (12) hours prior to the start of their regular shift.

7.6 SALARY ADMINISTRATION

a. Entry Step:

- (1) Effective July 30, 2000, the entry step within the established range for each class shall be Step "5" unless specifically designated as Step "6", "7", "8", or "9." Except as otherwise provided, any person appointed to a class shall receive the entry step of the range of such class and shall accrue other benefits as a new employee.

b. Advanced Hiring Step: The department shall review and take into consideration prior experience as a Registered Nurse when recommending advanced step hiring. A nurse may be hired at above the entry step if such nurse is eligible for appointment from a civil service list and has had experience as a visiting nurse, or as an RN in a hospital, health department, school or out-patient setting for at least one (1) year. If a person is hired at advanced step, such person shall receive one (1) additional step for each full year of similar experience. Experience considered for the purposes of this section shall not be considered in determining seniority or other benefits except as otherwise required by law. In the application of this provision, consideration shall also be

given to current employees in the same class who possess comparable experience; and, if determined equivalent, the employee shall be advanced to the same step as the employee hired at advanced step. Hiring at above the entry step shall be authorized only when recommended by the appointing authority and approved by the County Executive.

c. The County shall endeavor to follow the procedures set forth in paragraph b. above. However, if the County deems necessary it shall have the ability to hire employees in the RN D/CF class at any advanced step higher than that required by paragraph (b) within the salary range. In the application of this provision, consideration shall also be given to current employees in the RN D/CF class who possess comparable experience; and, if determined equivalent, the employee shall be advanced to the same step as the employee hired at advanced step.

d. Reemployment: Any person appointed in accordance with the rule governing reemployment following layoff shall receive compensation and benefits as though they had been on leave without pay.

e. Reinstatement: Any person appointed in accordance with the rule governing reinstatement following resignation in good standing shall be considered a new employee. At the discretion of the appointing authority, a reinstated employee may receive a starting salary higher than Step "5" but not exceeding the step that they received at the time of resignation.

f. Return to Former Class: An employee who is returned to a former class following promotion, transfer, or demotion due to layoff, shall receive that step of the range which they would have received had they never left the former class.

g. Promotion: Advancement from a position in one (1) class to a position in a higher class, defined as one having a maximum salary rate at least one (1) step (at least 5%) higher than the employee's former class.

(1) Upon promotion of an employee within the unit to a higher class, the employee shall receive the lowest step in the new class which provides an increase of at least 5%.

(2) Upon promotion of an employee from outside the unit to a class in the unit, the employee shall receive the lowest step in the new class which provides an increase of at least 5%. Extra-help employees shall be placed at the lowest step in the new class.

h. Transfer: Upon transfer an employee shall receive the same step in the new range as they received in the former range. For purposes of this provision, a transfer is a change between classes where the maximum salary rate of the class to which transfer is made is less than 5% higher or is less than 5% lower.

i. Demotion: A demotion is a change to a class which has a maximum salary rate which is at least 5% lower than the maximum salary rate of the former class. Whenever an employee is demoted due to layoff, without cause or inability on their part,

their salary shall be that step in the new range which provides an equal salary, or in the absence thereof, the nearest lower salary, to that received prior to the demotion. In all cases of demotion for cause, the employee shall receive the same step in the lower range as they received in the higher range. An employee with permanent status in a class who, with the approval of the appointing authority, voluntarily demotes to a lower class shall receive the step in the lower range which provides an equal salary or, in the absence thereof, the nearest lower salary to that which was received prior to demotion.

j. Return from Leave Without Pay: Return following leave without pay is not an appointment, but is a continuation of service; however, salary and benefits, other than employment status, shall be based on actual service. This provision shall not apply to employees returning from military leave.

k. Y-Rate: The Board of Supervisors may adopt a Y-rate to apply to: (1) an employee who would suffer an actual decrease in salary as a result of action taken by the County, without fault or inability on the part of the employee, or (2) an employee who is changing from one class series to another, as a normal consequent of career development through the County's upward mobility program, and the salary of the class the employee enters in the new class series is less than the salary the employee was receiving in the former class. A Y-rate means a salary rate, for an individual employee, which is greater than the established range for the class.

l. Y-Rate Salary Increase: An employee for whom a Y-rate is established shall not receive any increase in salary until such time as their rate of compensation is within the established range for the class, at which time the employee shall receive the highest step of the range. The employee shall receive a proportionate decrease in salary whenever a lower range is established for the class in the Agreement.

m. Granting of Status: Whenever the Civil Service Commission or other appropriate authority grants an employee direct status in a higher paying class, the range for which is approximately one (1) step greater than the range of the employee's former class, the employee shall receive the step determined by the rule governing promotions.

n. Class Salary Range Changes: When the salary range for a class is changed in the Agreement, employees in the class shall change to the new range but shall remain at the same step. When changes in an employee's class or salary, or both, occur simultaneously with salary range adjustments in the Agreement, the employee changes shall precede the Agreement adjustments in application.

o. Entry Step Adjustments: When the entry step for a class is adjusted to above Step "5" in the Agreement, the salary step for each employee in the class shall be increased in proportion to the change in entry step; provided, however, that no employee shall advance beyond Step "9".

p. Biweekly Salaries: The pay period for all employees shall cover fourteen (14) calendar days, starting on a Sunday and ending with the second Saturday thereafter. Salaries shall be paid on the Friday following the end of the pay period; except that if

Friday falls on a holiday, salaries shall be paid on Thursday. Salaries shall be computed as provided in this Agreement.

q. **Salary Computation:** The regular salary for each employee shall be based on the actual number of days or hours worked in the pay period, including authorized absences with pay, multiplied by the employee's daily or hourly rate. Such payments shall not exceed the biweekly rate as determined by the employee's range and step.

r. **Special Pay:** Special payment, including standby, overtime, premium, and other special payments, shall be calculated in accordance with the applicable provisions of this Agreement.

s. **Payment in Full:** Compensation paid pursuant to this Agreement shall be payment in full for services rendered in a County position. No employee shall accept any other compensation for services performed in such position.

7.7 SALARY STEP INCREASES

a. Increases to steps above the entry step shall be based on performance and length of service. The employee must have earned the equivalent of at least twenty-six (26) biweekly pay periods of full-time eligible service since their step increase date.

b. Except as otherwise provided below, an employee's step increase date shall be the first day of the first full biweekly pay period in any class or the date of their last step increase, whichever is most recent.

c. An employee's step increase may be deferred while he or she is in provisional or probationary status. Upon receipt of a deferred increase, the employee's step increase date shall be the same as it would have been had the increase not been deferred; and retroactive payment will be made.

d. Upon change in class which results in a salary decrease, an employee shall retain the same step increase date.

e. Upon promotion from outside the unit to a class in the unit, an employee shall receive a new step increase date when the salary increase received is 9.5% or higher. Employees in the unit shall be governed by the salary administration provisions.

f. An employee in Step "9" shall have no step increase date, and service in Step "9" shall not be considered as eligible service for future step increases.

g. Overtime work shall not be considered as eligible service.

h. A step increase may be denied only for just cause.

i. On-call employees are eligible for step increases pursuant to the above provisions.

7.8 CORRECTION OF PAYROLL ERRORS

a. This provision applies when the Director of Personnel Services determines that an error has been made in relation to the base salary, overtime cash payment or paid leave accruals, balances, or usage, or for medical insurance premiums or life insurance premiums. In such cases the County shall, for purposes of future compensation, adjust such compensation to the correct amount. The Director also shall give written notice to the employee.

b. As used in this section:

- (1) "Base Salary" means the biweekly rate of pay including special pay allowances and differentials but excluding overtime cash payment.
- (2) "Overtime Cash Payment" means authorized pay for working in excess of a prescribed number of hours, usually eight (8) hours per day or forty (40) hours per week.
- (3) "Paid Leave" means vacation, sick leave, compensating time off, and all other types of authorized leave with pay.
- (4) "Overpayment" means any cash or leave (balance, usage or accruals) that has been overpaid or overcredited to an employee regardless of the reason, including but not limited to, administrative, clerical or system errors.
- (5) "Underpayment" means any cash or leave (balance, usage or accruals) that has been underpaid or undercredited to an employee regardless of the reason, including but not limited to, administrative, clerical or system errors.

c. If the error has resulted in an overpayment or underpayment, reimbursement shall be made to the County if the error was an overpayment, or by the County if the error was an underpayment, in the amount which has occurred within one (1) year prior to the date of the Director's initial written notice to the employee, or the employee's written notice to the Director.

- (1) In the case of overpayment in salary, reimbursement of the overpayment shall be made through one (1) or a combination of the following methods at the nurse's discretion.
 - (a) In cash payment(s) mutually agreed to by the employee and the Department of Personnel Services.
 - (b) Installments through payroll deduction to cover the same number of pay periods over which the error occurred. If the installments exceed 10% of the employee's base salary

(including incentives, et cetera), lower deductions may be made providing the lower deduction is at least 10% of the employee's base salary including incentives, et cetera.

- (2) In case of overcrediting of paid leave accruals, balances, or usage, a one-time only leave adjustment to CTO, HIL, or vacation equivalent to the dollar amount of overpayment (sick leave may not be used unless the overpayment involved the use of sick leave). A charge against future accruals shall not be permitted. If the balances are not sufficient to cover the overpayment, reimbursement of the overpayment shall be made through one (1) or a combination of the following methods at the nurse's discretion:
 - (a) payroll deductions of the overpayment from the employee's future salary shall be made in installments until the overpayment is fully reimbursed. If the installments exceed 10% of the employee's base salary (including incentives, et cetera), lower deductions may be made providing the lower deduction is at least 10% of the employee's base salary including incentives, et cetera. Or,
 - (b) a single cash payment may be made by the employee.
- (3) In the case of an underpayment the County will expedite reimbursement to the employee via an in lieu warrant, a gross pay adjustment or a leave balance adjustment, whichever applies and is most appropriate.
- (4) An employee whose employment terminated prior to full reimbursement of an overpayment shall have withheld from any salary owing the employee upon termination an amount sufficient to provide full reimbursement. If that amount is not sufficient to provide full reimbursement, the County shall have the right to exercise other legal means to recover the additional amount owed.
- (5) Any amount of overpayment or underpayment for any period earlier than one (1) year prior to the date of the Director of Personnel Services initial written notice to the employee shall be deemed waived and not reimbursable.

d. The provisions of this section do not apply to grievance disputes which contend that the County underpaid by misapplying or incorrectly interpreting the terms of this or any previous agreement. The time limits for the filing and processing of any grievance shall not be deemed to be excused, extended or otherwise modified by the provisions of this section. Nor shall the relief available through the grievance procedure be enlarged by or as a result of the provisions of this section.

e. The provisions of this section apply only to errors involving base salary or overtime cash payment and paid leave accruals, balances, or usage, or for medical insurance premiums or life insurance premiums. No provision of this Agreement shall preclude the correction or recovery by the County of past overpayments or other losses which result from errors involving other matters, such as insurance, retirement, social security and court-ordered payments.

7.9 CORRECTIONAL RECRUITMENT INCENTIVE

A Nurse Practitioner assigned to work in a Correctional Institution shall receive a 25% differential. Employees in the Registered Nurse D/CF will not be entitled to this differential and the hourly wage for the classification, as identified in Exhibit B, shall include all compensation related to work in a correctional facility. CNA agrees to support efforts by the County to establish a separate Nurse Practitioner D/CF classification.

7.10 SACRAMENTO MENTAL HEALTH TREATMENT CENTER DIFFERENTIAL

Employees in the Psychiatric Nurse or Senior Psychiatric Nurse classes assigned to MHTC shall be eligible to receive a differential of 15% of the employee's hourly rate paid biweekly.

Effective the first full period following Board of Supervisors' approval, but no sooner than June 29, 2025, the fifteen percent (15%) MHTC Differential will roll into the base wages of employees in the above classifications.

7.11 MULTI-LEVEL SALARY CLASSIFICATIONS

a. The salary level at which initial appointments are made to classes with more than one (1) salary level, and advancement from the lower to the higher salary level of such classes (for example, from Level I to Level II) are at the discretion of the appointing authority provided the minimum qualifications as stated in the class specifications as adopted by the Civil Service Commission are met. Advancement from the lower to higher salary level shall not be arbitrarily or capriciously denied.

b. By virtue of this provision, the Civil Service Commission is given the authority by both the County and the Association to determine the appropriate minimum qualifications for the salary levels of current and new classes. However, neither the Association nor the County have transferred or assigned any meet and confer rights or obligations regarding the establishment of minimum qualifications for salary levels to the Civil Service Commission.

7.12 RECRUITMENT AND RETENTION

If the County determines, during the term of this Agreement, that it is experiencing recruitment/retention problems for a specific class or classes, the County will ask the Association for concurrence to amend this Agreement to increase salaries and/or to apply other recruitment/retention incentives, as appropriate, for the specific class or classes.

7.13 LONGEVITY

Beginning the first full pay period following Board of Supervisors approval but no sooner than June 29, 2025, permanent employees who reach ten (10) years of full-time service shall receive a four percent (4%) differential. Less than full-time permanent employees shall become eligible upon working the equivalent of ten (10) years of full-time service.

ARTICLE VIII – DEFERRED COMPENSATION

8.1 DEFERRED COMPENSATION – REGULAR EMPLOYEES

a. Following Board of Supervisors' approval of the 2025-2028 agreement (but no sooner than June 29, 2025), and as soon as administratively feasible, if an employee enrolled in the Sacramento County Employee Retirement System contributes into their 457(b) plan, the County will contribute a matching amount up to a maximum of three percent (3%) of the employee's salary into the employee's 401(a) plan. The three percent (3%) maximum County contribution match will be counted in the calculation of total compensation for the purposes of salary surveys.

Matching contributions will be made for whole percentages only. For any employee that has a contribution rate of less than a whole percentage, the matching contribution rate will be made only for the whole percentage contribution amount. For example, a contribution of 1.6% will receive a matching contribution of 1%.

b. All newly hired, rehired, or newly transferred employees in this bargaining unit enrolled in the Sacramento County Employee Retirement System will be automatically enrolled in the County 457(b) Deferred Compensation plan. The automatic enrollment deduction percentage will be 1% of compensation on a pretax basis which will be deposited in the Plan's appropriate Qualified Default Investment Allocation (QDIA) Target Date fund.

c. Automatic enrollment will not take effect until the first full pay period following a 35 day opt out period after the date of hire, rehire or transfer to provide an opt-out period for the employee. Employees subject to auto enrollment who choose to opt-out must do so utilizing the online portal to stop or change their contribution rates. This change must be made sufficiently in advance of payroll timelines in order to take effect. Newly automatically enrolled 457(b) participants can "unwind" their contributions in the first 90 days of enrollment. This triggers an in-service withdrawal and tax consequences. Additionally, any matching 401(a) employer contributions are forfeit if the unwind provision is enacted.

d. Employees entered into the automatic enrollment process retain all normal Deferred Compensation participant abilities, including increasing contribution percentages, ceasing contribution percentages, reallocating contributions to alternative funds, choosing post tax contributions, etc., in accordance with the procedures and parameters established by the County as the Plan Administrator.

8.2 DEFERRED COMPENSATION – TEMPORARY EMPLOYEES

a. An employee covered by this Agreement who is not a member of, or currently earning benefits under, the Sacramento County Employees' Retirement System shall become a participant in the Deferred Compensation Plan set forth in County Code Sections 2.83.200 through 2.83.360.

b. The employee shall contribute 3.75% of their compensation for any period of service performed for the County while a participant in this plan. The County shall additionally credit an amount equal to 3.75% of the employee's compensation to the Investment Account maintained for each participant.

c. The Deferred Compensation Plan and participation by the County and specified employees described above is in lieu of each party paying FICA taxes as permitted by IRC Section 3121(b)(7)(f).

ARTICLE IX – HOLIDAYS

9.2 IN LIEU HOLIDAYS

a. Regular employees who work in a unit for which the normal work schedules include Saturdays, Sundays and holidays shall be granted one (1) day off every four (4) weeks in lieu of prescribed holidays. Such time off shall be designated in the employees' regular work schedules. If not scheduled and taken every four (4) weeks, such time shall accrue at the rate of 4.3 hours for each biweekly pay period. If employees are required to work on a day which has been scheduled as a day off in lieu of prescribed holidays, they shall receive overtime compensation as provided in Section 6.2. Effective December 18, 2022, the accrual rate shall increase to 4.6 hours for each biweekly pay period. The maximum accrual of HIL time for a twelve-month period is one-hundred and four (104) hours. Cash Payment shall be made for HIL in excess of one-hundred and hour (104) hours.

b. Notwithstanding the above, each nurse shall be scheduled off work on at least one (1) of the following holidays each year: Thanksgiving Day, Christmas Day, New Year's Day. Any nurse who works evening or night hours may, at the nurse's option, have the day preceding the holiday off in lieu of the actual holiday, provided that the nurse requests the day off reasonably in advance.

9.3 HOLIDAY PAY POLICIES

Except as provided in Section 9.2, any regular employee who works on a recognized holiday shall, in addition to regular pay for the day, receive compensation calculated at time and one-half (1 and 1/2) for all hours worked.

- a. The PPC will have at least one (1) monthly meeting. The PPC will be entitled to use up to 540 total hours of paid time at the regular straight time rate for the purpose of attending the PPC, its subcommittee's activities, and special attendance meetings. The County will not unreasonably deny authorization of release time for these meetings.
- b. Each nurse will report time spent for PPC meetings on the Employee Time Sheet or Exception Reporting Form.
- c. The PPC will prepare an agenda and keep minutes of all meetings. A copy of the minutes will be provided to the Chair of Nurse Leadership for disbursement to the appropriate Program Managers.
- d. Newly hired Registered Nurses will be allowed to attend one (1) PPC meeting during their probation period as the schedule permits. Registered Nurses may request to attend one (1) PPC meeting each year.

14.4 SPECIAL ATTENDANCE

The PPC may request to meet with the head of any County department where nurses are employed or with County administration for the purpose of obtaining information on issues that directly affect any of the responsibilities or objectives of the PPC. The County will meet with the PPC within a reasonable period of time from the request for such a meeting. This meeting will be held at a time convenient to all parties.

14.5 ASSIGNMENT DESPITE OBJECTION (ADO)

The Assignment Despite Objection (ADO) is a vehicle by which Registered Nurses notify their employers of conditions that are unsafe, potentially unsafe, places the nurse or the patient at risk, and/or adversely affects patient care. The employer recognizes the Association's process of encouraging any Nurse to complete an ADO. The RN shall deliver the completed ADO form to the relevant manager/supervisor. The RN shall provide copies to the Association and the PPC. The relevant manager/supervisor shall respond, in writing, within 15 working days of the receipt of the ADO directly to the RN who submitted the ADO. The manager/supervisor shall provide a copy of the response to the PPC Chair. This provision is not subject to the Grievance and Arbitration Procedures set forth in Article V of the agreement.

ARTICLE XV – EMPLOYEE ASSIGNMENT

15.1 UTILIZATION OF SPECIALITIES IN ASSIGNMENTS

Any Registered Nurse may, if the nurse desires, indicate in writing to the administration the areas of specialty due to training or experience or both. The department shall review and take into consideration such indications in making assignments.

15.2 VACANCIES

- a. Every County vacancy in an assignment for a bargaining unit position covered by this Agreement shall be posted on the R.N. bulletin boards at the departments for a period of not less than ten (10) calendar days. A copy of each vacancy posting will be mailed to the Association on the same day that the notice is posted. In addition to the above, the County will create an internal transfer bulletin on the County intranet wherein vacancies will be posted as soon as the County is aware a vacancy will exist. The County shall leave postings on this bulletin for no less than ten (10) calendar days.
- b. Any vacancy caused by the resignation of a nurse need not be posted as provided in Subsection a. above if the County has not received two (2) weeks' advance notice of resignation as provided in Section 2.78.830 of the Personnel Ordinance.
- c. A nurse currently holding permanent status may indicate in writing to the appointing authority or their designee any desired post and/or shift assignment to which the nurse would like to be assigned. When an opening occurs and before the appointing authority or designee fills the position, they shall review the assignment requests. Nurses employed by the County who have submitted such requests shall be given initial consideration and may be selected prior to the use of civil service eligible lists. Seniority shall be considered as well as other factors including areas of specialty due to training or experience and patient care needs. An internal candidate shall not be passed over for

consideration due to short staffing in their existing department. A nurse applicant will be notified of non-selection for a vacancy.

d. If an internal candidate is selected to fill the vacancy, the County shall move the nurse into their new position no later than thirty (30) days from the date the nurse was selected. This timeframe can be extended by mutual understanding of the employee and the County, but the County must notify the employee of the updated timeline for processing. No nurse shall be expected to perform the duties of two positions concurrently.

e. An employee may grieve whether the posting process outlined in the above subsections a.

15.3 CONSCIENTIOUS OBJECTION

a. The rights of patients to receive necessary nursing care and the obligation of the County to render such care must be recognized and respected. In the case of therapeutic abortions or family planning counseling, the nursing profession accepts the obligation of providing competent nursing care as a major responsibility; however, it is recognized that a Registered Nurse may hold sincere moral or religious beliefs which require the nurse in good conscience to refuse participation in such procedure or counseling.

b. The facility agrees that a nurse may, except in an emergency situation where the patient's needs will not allow for personnel substitution, refuse to participate in therapeutic abortion procedures or to give family planning counseling, and will not be subject to coercion, censure, unreasonable transfer, unreasonable reassignment or discipline by reason of such refusal. A Registered Nurse who has an assignment where participation in therapeutic abortions or family planning counseling routinely occurs and who conscientiously objects to such participation, shall notify the Director of the Health and Human Services Department of this position in writing and must decide whether or not to request transfer to another assignment.

c. In emergency situations where the immediate nature of the patient's needs will not allow for substitution, the patient's right to receive the necessary nursing care shall take precedence over the exercise of the nurse's individual beliefs and rights. In such cases, the hospital shall arrange for substitution at the earliest possible opportunity.

15.4 EMPLOYEE ASSIGNMENT

Transfers shall not be used in a punitive or arbitrary manner.

15.5 CHANGES IN SCHEDULED WORK HOURS OR WORK LOCATIONS

Permanent employees shall be provided written notice at least one (1) full pay period prior to a permanent change in their work location, or a permanent change of four (4) or more hours in their assigned hours of work. If the change in assigned hours or work location creates a bonafide hardship in terms of dependent care or transportation, the employee may request an extension of an additional seven (7) days. This notice provision shall not apply to emergency assignments. An emergency is defined as a sudden, generally unexpected occurrence or set of circumstances, demanding immediate action. Changes in hours or transfers shall not be used in a capricious or arbitrary manner.

ARTICLE XVI – REIMBURSEMENTS

The employee shall be reimbursed for any mileage traveled at a rate based upon the Internal Revenue Service business mileage deduction rate for the first 600 miles per month of reimbursement. For over 600 miles per month, the reimbursement would be at the Internal Revenue Service business mileage deduction rate less \$.15 (fifteen cents) per mile.

Effective June 30, 1999, such employees shall be reimbursed \$350 a year, payable every six (6) months in arrears and due at the conclusion of the first biweekly pay period in January and July. Employees who are eligible for a uniform allowance for less than the full six-month period in which they were required to furnish and wear a uniform shall receive a prorated payment based on the number of months during the period in which they were required to furnish and wear a uniform. Uniform allowances for on-call and extra-help employees shall be prorated based upon the hours worked during the period in which they were required to furnish and wear a uniform.

b. Lab Coat Only Allowance: Effective June 30, 1999, employees who are required by the County to furnish and wear lab coats and do not receive a uniform allowance shall be reimbursed \$250 per year, payable every six (6) months in arrears and due at the conclusion of the first biweekly pay period in January and July. Employees who are eligible for a lab coat allowance for less than the full six-month period in which they were required to furnish and wear a lab coat shall receive a prorated payment based on the number of months during the period in which they were required to furnish and wear a lab coat. Lab coat allowances for on-call and extra-help employees shall be prorated based upon the hours worked during the period in which they were required to furnish and wear a lab coat.

c. When the County or the appointing authority furnishes uniforms or lab coats to employees, such employees shall not be eligible for the uniform allowance or lab coat reimbursement called for in this provision.

16.3 DAMAGED/LOST PROPERTY

The County will reimburse employees represented by the Association for personal property damaged or lost in the line of duty, subject to the conditions identified herein:

- a. Reimbursement is to cover the payment of costs for repair, replacement or actual value of personal property of an employee, such as eye glasses, watches, or articles of clothing necessarily worn or carried by the employee, when such items are damaged or lost during the performance of and in the line of duty.
- b. Employees claiming reimbursement shall submit a written request for reimbursement in the form provided by the County.
- c. Reimbursement shall not be made for losses resulting from acts of negligence or deliberate destructive acts on the part of the employee, or losses resulting from ordinary wear and tear incidental to normal use and employment.
- d. Reimbursement shall not exceed the actual cost of the item or \$125, whichever is less.
- e. The appointing authority, or their designee, will review the claim for reimbursement and shall approve or disapprove the request.
- f. Upon determination of approval or disapproval, the appointing authority shall advise the claimant in writing.

16.4 TRANSIT PASS

As soon as administratively possible, the transit subsidy shall be increased to \$75 per month.

ARTICLE XVII – MISCELLANEOUS

17.1 PROBATIONARY PERIOD

The probationary period for employees shall be six (6) months, except in respect to those positions for which a longer period has been prescribed by the Civil Service Commission pursuant to Section 71-G of the Charter. The County agrees not to recommend a

probationary period longer than six (6) months respecting any positions in County service within the unit represented by the Association without first meeting and conferring with the Association.

17.2 COPIES OF AGREEMENT

The County will allow CNA members the time, equipment, and materials to view, save electronically and/or print a copy of the Agreement from the County and/or CNA website.

17.3 SELECTIVE CERTIFICATION POSITIONS

The provision applies to positions which have been approved for selective certification for special skills, pursuant to Civil Service Rule 7.9. Such positions which have the same special skill requirement shall be considered to be in a separate class for purposes of seniority and layoff.

a. On or before the 10th of each month, the County shall transmit to the Association and current Authorized Representative a list, in Excel or compatible format, with the following information: name, address, job classification, employment category, work location, available contact information (including work/home/personal cellular telephone numbers, and personal email address), most recent date of hire, current wage rate, employee identification number, last four digits of employee Social Security Number (for identification purposes), and department of employees covered by this Agreement.

b. A list of new hires into the representational unit, including all information in subsection (a.) above, shall be transmitted to the Association and the current authorized Association Representative in Excel or compatible format on a biweekly basis. This information is given to the Association for its exclusive use for the sole purpose of conducting union business and are to be kept confidential. The Association agrees to not release any employee mailing address to any other party without the written consent of the employee.

17.5 ON-CALL NURSES

a. The County shall develop and maintain a listing of Registered Nurses, Registered Nurse D/CF, Psychiatric Nurses, and Public Health Nurses to be utilized for relief staffing on an on-call basis. These on-call nurses should be utilized where regular employee nurse staffing is insufficient to provide safe legal nursing care. It is recognized that these listings are dependent upon the availability of qualified nurses.

- b. Nurses hired on an on-call basis shall be paid at a rate equivalent to Step "7" or above of the appropriate range.
- c. When an on-call employee is appointed to a regular position, subsequent to their on-call status, the employee shall be placed at the same step in the regular position as received in the on-call position. All continuous extra-help employment from the date of last step increase (if any) shall be considered as eligible service for step increases for persons appointed to a regular position.
- d. On-call employees may request a performance evaluation after working six (6) months. Supervisors of on-call employees shall provide the performance evaluation within fourteen (14) calendar days of the employee's request. The evaluative content and/or supervisory rating is not grievable under this Agreement.
- e. Nurse registries may be utilized to provide qualified nurses in addition to the above County On-Call Nurse Listings. The County agrees to utilize the County On-Call Nurses Listing prior to using the Nurse Registry Services.
- f. County On-Call Nurses shall be compensated at the time and one-half rate for all hours worked on the recognized holidays as enumerated in Article IX, Holidays.
- g. On-call employees are eligible for salary step increases pursuant to Section 7.6. Eligible on-call service prior to November 17, 1991, shall be counted, and current on-call employees shall be placed at the appropriate salary step as of that date.
- h. Effective November 17, 1991, all on-call nurses shall be paid a 15% recruitment differential.
- i. The County may require that on-call nurses within a class and department commit to a minimum number of specific shifts, that is weekends, nights, or PM. The County may reduce/increase the minimum number and type of shifts.

All waivers to the rights of this Agreement shall be in writing and shall be signed by the employee, the appointing authority, and the County. The appointing authority and the County shall review waivers on an annual basis.

17.7 DISCUSSION OF ALTERNATIVES TO LAYOFF

If it becomes necessary for the County to have a reduction of force, or a reduction-in-hours in lieu of layoff, the parties mutually agree to discuss alternatives to layoff. Such discussions will include leaves of absences, voluntary layoffs, and/or other issues which may minimize mandatory layoffs or a reduction-in-hours in lieu of layoff by reducing costs within the unit. Either party shall give notice of its intention to discuss such issues. If

possible such notice shall be given at least five (5) calendar days in advance of the time the discussions will begin. The parties will make every effort to reach agreement within fourteen (14) days. If a reduction in force or a reduction-in hours in lieu of layoff occurs on or after October 3, 1982, the Association and the County will agree to discuss alternatives to layoffs for a period of fourteen (14) days after notice of reduction in force. It is understood that this Agreement does not limit the County's right to layoff or reduce hours in lieu of layoff for employees following the fourteen (14) day discussion if no agreement is reached regarding alternatives to layoffs.

17.8 CLASSIFICATION STUDIES

The County, when developing proposed new or revised class specifications which directly affect the classification of positions occupied by CNA, shall notify the Union via email by providing a copy of the report to be submitted to the Civil Service Commission. CNA may request to meet within fourteen (14) calendar days of receiving notice from the County. If the Association fails to request to meet on the proposed changes within the above timeframe, the County shall deem the request to meet waived and may proceed to the Civil Service Commission. If the Association requests to meet but fails to identify any negotiable effects, within fourteen (14) days of meeting, the County may proceed to the Civil Service Commission. The parties may mutually agree on a case-by-case basis to modify the above time frames.

17.9 RESIGNATION

a. If an employee is absent without leave for five (5) consecutive workdays, such employee shall be required to submit a written statement to their appointing authority stating that they desire to retain their employment. If the employee fails to submit such a written statement to the appointing authority within two (2) workdays after notice has been served on the employee, such failure shall constitute an automatic resignation from County service.

b. The notice to the employee may be personally served or it may be served by mail to the last known address of the employee and is complete on mailing. The last known address shall be deemed to be that address which is within the personnel file of the employee within the department to which they are assigned.

c. The written statement of the employee must be either personally handed to the appointing authority or delivered to the appointing authority by registered mail return receipt requested.

d. A permanent employee may, within fifteen (15) calendar days of the effective date of such separation, file a written request with the appointing authority for reinstatement. Reinstatement may be granted only: (a) if the employee makes satisfactory explanation to the appointing authority as to the cause of the employee's absence or failure to obtain leave therefor, and the appointing authority determines that they are ready, able and

willing to resume the discharge of the duties of their position, or (b) if the appointing authority consents to a leave of absence to commence upon reinstatement.

17.10 REINSTATEMENT PRIVILEGE AND REQUIRED PROBATION PERIOD

a. The salary of part-time regular employees shall be prorated based on the number of hours worked.

b. Vacation, sick leave and holiday benefits shall be prorated based upon the number of hours worked.

c. Such regular employees employed part-time for not less than forty (40) hours per pay period shall be eligible for group medical insurance, health benefits, dental benefits, and life insurance; and the County shall make contributions in the same amount as for full-time regular employees. These benefits shall be effective October 31, 1982, or as soon thereafter as permitted by normal insurance schedule.

d. It is understood that part-time employees are not eligible for Social Security withholding.

17.12 HUMAN SERVICES REORGANIZATION

a. Employees who on June 30, 1992, hold permanent or probationary status in a class in the Nurses Unit within the Departments of Health or Probation, shall have the

following provision of this Agreement applied as if the Department of Health and Human Services and the Department of Human Assistance were one department:

The County of Sacramento shall provide reasonable and safe working conditions, including efforts to maintain a workplace free from violence. The County and the Association will cooperate in the continuing objective of eliminating accidents and health hazards. Unsafe working conditions shall be brought to the attention of the appropriate supervisor by the employee or the Association. If the supervisor is unable to resolve the problem, it may be submitted for investigation to the appropriate department safety committee. The Association shall designate an employee representative to be assigned to each department safety committee where nurses are employed. Such attendance on safety committees shall not result in the loss of pay to employees.

The County shall provide protocols and personal protective equipment (PPE) based on the type and nature of the infection disease of substance. If an employee reports an allergy or sensitivity to County-provided PPE, the County shall engage in the Interactive Process with that employee to determine if there is a reasonable alternative.

The County will comply with all aspects of the federal law, California Code of Regulations and CAL-OHSA standards and regulations that are applicable to the County, including but not limited to, Labor Code 6311, providing education to nurses related to various nurse safety and security topics appropriate to each work environment or infection disease. The County shall provide training and education, as required, for all nurses who may be exposed to patients, their bodily fluids, or other potentially infectious or hazardous materials. Training and education shall include, but not limited to, appropriate training in the donning and doffing of PPE, facility exposure control plans, and other programs related to infectious diseases and other hazardous substances. Such training and education will be provided to nurses on County time.

The parties agree that should a future health pandemic be declared within Sacramento County, the County and CNA will meet and confer over any associated affects.

a. Performance evaluations are used for employee development. Performance evaluations are designed to instruct employees as to how they may better meet their job objectives. A bargaining unit employee's nursing competency, however, shall only be evaluated by another RN.

b. An employee who is evaluated shall be given an opportunity to read and sign performance evaluations prior to the placement of such material in the employee's personnel file. The employee shall receive a copy of the performance evaluation and shall have the right to discuss the evaluation with their supervisor as well as to file written comments pertaining to the content of the evaluation within thirty (30) days of the employee's review.

b. An employee may grieve whether a formal letter of reprimand was given for just cause through to Step 3 of the grievance procedure of the Agreement. Letters of reprimand are not arbitrable and the grievant shall not have the right to refer the matter to binding arbitration.

c. If an employee receives a letter of reprimand and no subsequent adverse action has been taken by the County during the following two (2) years, the employee may request removal of that letter of reprimand from the personnel file.

d. Upon request for removal of the letter of reprimand by the employee, the appointing authority shall review the request and may remove the letter of reprimand.

ARTICLE XVIII – SENIORITY, LAYOFFS AND REEMPLOYMENT

DIVISION A – APPLICATION-PURPOSES-RIGHTS

18.1 PURPOSE

This article establishes layoff/reduction-in-hours in lieu of layoff procedures and reemployment/return rights. The decision to reduce the number of positions in a class in a department and the reasons for any such reduction shall be within the sole and exclusive discretion of the County. However, the order of layoff/reduction-in-hours in lieu of layoff and the identity of those employees to be laid off/reduced-in-hours in lieu of layoff shall be governed by the provisions of this article. This article also establishes reemployment/return rights and the order of reemployment/return of employees who are laid off/reduced-in-hours in lieu of layoff and provides for the resolution of any dispute which might arise respecting the order of layoff/reduction-in-hours in lieu of layoff or reemployment/return of those employees who are laid off/reduced-in-hours in lieu of layoff.

18.2 DEFINITIONS AND INTERPRETATIONS

Words and terms used in this article shall have the same meaning as applies to their use in Chapter 2.78, Sacramento County Code, unless otherwise defined below:

- a. **Demotion:** A change between classes where the maximum salary of the class to which the employee is changed is any amount less than the maximum salary of the class from which the employee is changed. The change is between classes in which the employee holds permanent status.
- b. **Former Class:** A class in which an employee previously has held permanent status. An employee may have one (1) or more former classes. However, only those classes in which the employee has held permanent status during the current period of continuous service are eligible former classes in respect to a right to demote.
- c. **Layoff:** The involuntary termination from a class of a permanent or

probationary employee without fault on the part of the employee, because of lack of work, lack of funds, or in the interest of economy.

- d. **Limited-Term Employee:** A person who accepts a limited-term appointment as defined in Section 7.7(f) of the Civil Service Commission rules. A limited-term employee is a temporary employee for purposes of this article. However, a permanent employee appointed to a limited-term position shall have return rights, within the same department, from the limited-term position to the permanent position.
- e. **Return to Full-Time Employment:** The return to a full-time position of an employee in a four-fifths time (32 hours per week) position who formerly held a full-time (40 hours per week) position in that class.
- f. **Separation:** Release from employment of a temporary employee or the return of a regular employee from a temporary upgrade to the immediate former class in which the employee held permanent status. Separation does not constitute a layoff.
- g. **Status:** The employee's current appointment, such as permanent, temporary, provisional, or probationary. Temporary includes intermittent and limited-term.
- h. **Temporary Employee:** A person who has been appointed from a list of eligibles, or provisionally in the absence of a list, to a position which is other than a permanent position.
- i. **Voluntary Reduction-in-Hours:** The assignment of an employee in a full-time (40 hours per week) position to a four-fifths time (32 hours per week) position upon the request of the employee.

18.3 LAYOFF

- a. When it becomes necessary due to lack of work, lack of funds, or in the interest of economy, to reduce the number of employees in a department, the order in which employees will be laid off within each class which is affected by the layoff shall be based on seniority as provided in Section 18.5.
- b. Temporary and provisional employees in the class involved in the layoff shall be separated prior to the layoff of any probationary or permanent employees.
- c. Prior to the layoff of any probationary or permanent employee, any permanent employee who currently is serving in a temporary position in that class shall be separated and returned to the class in which the person holds permanent status in that department.
- d. Probationary and permanent employees shall be laid off in the inverse order of their seniority.

18.4 RIGHT TO DEMOTE

a. Any employee who is scheduled for layoff shall have a right to demote within the department in which layoff will occur to a class in which the employee formerly held permanent status. If there is no authorized position in the department in the class to which the employee would otherwise have a right to demote, then this subsection shall not apply. The right to demote within the department to which the employee is assigned, shall be implemented as follows:

- (1) If there is only one (1) other lower salaried class within the department in which the employee formerly held permanent status, the employee shall be demoted to that class. If there is no vacancy in that class and the demoting employee has less seniority than all other employees within the department in that class, the demoting employee shall be laid off from that class and from employment.
- (2) If there are two (2) or more lower salaried classes within the department in which the employee formerly held permanent status, the employee shall be demoted to that class in which the employee formerly held permanent status which has the highest salary. If there is no vacancy in that class, and the demoting employee has less seniority than all other employees within the department in that class, the above process shall continue until the demoting employee either reaches a class within the department in which the employee formerly held permanent status in which there is a vacancy or in which the employee is not the least senior employee within the department in that class, or the employee is laid off from employment.
- (3) An employee who is least senior in a class in which there is no vacancy and to which an employee demotes from a higher class within the department shall be laid off from that class, and shall have the same right to demote as does any other employee who is laid off.
- (4) An employee demoted under this procedure shall be deemed to have exercised the employee's right to demote and to have accepted each demotion, subject to the employee's right to resign from employment.
- (5) An employee who is demoted from a class in which the employee holds permanent status shall be deemed for all purposes to have been laid off from each class from which the employee subsequently demotes or is displaced, including classes which the employee passes through because of the absence of a vacancy and insufficient seniority to occupy a position.

b. An employee who is scheduled for layoff, shall be entitled to request a demotion to another class in which the employee formerly held permanent status which is currently authorized in another department. Except as provided in (3) below, the right to request demotion to another department applies to any class in which the employee formerly held permanent status, which has a lower salary than the class from which the employee was laid off, which is authorized in any department other than the department to which the employee was assigned prior to layoff.

- (1) The appointing authority of the department to which the employee requests transfer may, in the appointing authority's discretion, grant a request to demote if there is (a) a vacancy in the class within the department or (b) the requesting employee would not be the least senior employee in the new department within the class to which the request is made.
- (2) An employee whose request to demote to another department is granted, shall be deemed for all purposes to have been laid off from the class from which the employee demotes.
- (3) Such right to request demotion shall not apply to a class to which an employee is demoted within the same department. The purpose of the right to request a demotion to another department is to avoid layoff from employment.

18.5 SENIORITY

a. Seniority shall be determined by the date of original appointment to the class. For purposes of this article, the "date of original appointment to the class" is defined as the date the employee first was appointed to the class, on or after the most recent date of entry into County service, regardless of type of appointment, including, but not limited to, provisional, limited-term, temporary and exempt.

b. A seniority list shall be prepared for each class for purposes of layoff and shall include all probationary and permanent employees in that class. Where seniority dates in the class are the same, ties shall be broken in the following sequence:

- (1) Employees with the earliest date of entry into continuous County service.
- (2) Employees with the highest standing on the eligible list from which the appointments to the applicable class were made.

c. The seniority date for employees who terminate and subsequently return to County service in accordance with the military leave provisions of Section 2.78.785 of the Sacramento County Code shall be the date of original appointment to the class, prior to the military separation.

d. If an employee's position is reallocated to a different class, and the former

class is no longer authorized in the employee's department, the employee's date of appointment to the former class shall be the seniority date in the class to which the position was reallocated. In such cases the right to demote shall apply to the new class.

e. If an employee is in a class which is retitled, the seniority date in the retitled class shall be the date of appointment to the original class which has been retitled.

f. If an employee returns to a former class in which the employee previously held permanent status, the employee's seniority date in the former class shall be the date of original appointment to the former class.

18.6 VOLUNTARY REDUCTION-IN-HOURS

a. No less than fourteen (14) calendar days prior to the date the reduced-in-hours positions are effective, notice of the County's decision to establish such four-fifths time positions in lieu of full-time positions shall be given, by posting on departmental bulletin boards, to employees in the affected class and department. No less than seven (7) calendar days prior to the date the reduced-in-hours positions are effective, full-time employees in the class and department may request assignment to the four-fifths time positions. Subject to the provisions of Subsection b., employees in the class and department who so volunteer in writing, shall be assigned to four-fifths time positions on the basis of seniority.

b. At the discretion of the appointing authority, a certain number of volunteers shall not be entitled to assignment to a four-fifths time position on the basis of seniority. The number of volunteers in a classification which the appointing authority may accept from a four-fifths assignment shall not exceed ten percent (10%) of the number of volunteers initially accepted for the four-fifths positions (rounded up to the next highest number) that have been established in lieu of full-time positions.

c. A permanent employee who has been voluntarily reduced-in-hours in a class and department shall, within fourteen (14) calendar days of the employee's request, be placed (in order of seniority) on a departmental return to full-time employment list for that class and department. Said request must be in writing and personally filed with the appointing authority and the Director of Personnel Services.

18.7 VOLUNTARY LEAVES OF ABSENCE FOR THE PURPOSE OF ACHIEVING REDUCTIONS

a. This section shall have application only to "leaves of absence for the purpose of achieving reductions" and shall not have application to leaves of absence for any other purpose.

b. When notice is given under Section 18.6 of the County's decision to establish reduced-in-hours positions, regular employees in the class and department may request a leave of absence for the purpose of achieving reductions, if such request is made no less than seven (7) calendar days prior to the date the reduced-in-hours positions are

effective. Subject to the provisions of Subsection b., employees in the class and department, who so volunteer in writing, shall be granted such leaves of absence on the basis of seniority.

c. At the discretion of the appointing authority, a certain number of volunteer employees shall not be entitled to the above-described leaves of absence on the basis of seniority. The number of volunteer employees in a classification which the appointing authority may accept from said leaves of absence shall not exceed ten percent (10%) of the number of volunteers initially accepted for leaves of absence (rounded to the next highest number) for the purpose of achieving reductions. Said leaves of absence shall be for not less than a six-month period.

18.8 ACTION REGARDING VACANT POSITIONS WHEN A DEPARTMENTAL RETURN TO FULL-TIME EMPLOYMENT LIST EXISTS

When a position becomes vacant in a class in a department for which a departmental return to full-time employment list exists, the County shall retain discretion to take any of the following actions:

- a. With regard to a four-fifths time position which becomes vacant, the County may:
 - (1) Delete the vacant position;
 - (2) Retain the position without returning any four-fifths time employee to full-time employment and without making any appointment to that position;
 - (3) Retain the position and make an appointment to that position in compliance with Section 18.30. If there are no eligible employees available on the reemployment lists described in Section 18.30, the position shall be filled in accordance with other personnel rules;
 - (4) Reestablish a full-time position in lieu of the vacant four-fifths time position and make an assignment or appointment to that position in compliance with Section 18.28. If there are no eligible employees available on the return or reemployment lists described in Section 18.28, the position shall be filled in accordance with other personnel rules.

- b. With regard to a full-time position which becomes vacant, the County may:
 - (1) Delete the vacant position;
 - (2) Retain the position without returning any four-fifths time employee to full-time employment and without making any appointment to that position;

- (3) Retain the position and make an appointment to that position from the return to full-time employment list.

18.9 JURISDICTION

If an employee in a class covered by this article is laid off from that class and demotes to a class which is not covered by this article, then this article no longer applies in respect to the determination of the employee's seniority within the class to which demotion occurs. In such cases, the determination of seniority within the class to which the employee is demoted, shall be based on the agreement of the new representation unit or the Sacramento County Code, whichever applies.

DIVISION B – LAYOFF

18.10 NOTICE OF LAYOFF/REDUCTION-IN-HOURS IN LIEU OF LAYOFF

a. Each employee subject to layoff/reduction-in-hours in lieu of layoff shall be given written notice of layoff/reduction in-hours in lieu of layoff. The notice shall prescribe the effective date of layoff/reduction-in-hours in lieu of layoff. The written notice shall either be personally handed to the employee, delivered to their last known address, or mailed to the last known address if such address is a post office box number. The last known address shall be deemed to be that address which is within the personnel file of the employee within the department to which they are assigned. The notice shall be deemed served on the date it is personally handed to the employee, or on the date it is left at their last known address, or on the date it is mailed to their last known address, as the case may be.

b. The effective date of layoff/reduction-in-hours in lieu of layoff shall be not earlier than the 14th calendar day following the date of service of the notice of layoff/reduction-in-hours in lieu of layoff.

18.11 NOTICE TO ASSOCIATION

Each time a layoff/reduction-in-hours in lieu of layoff is ordered, the County shall mail to the Association, not later than the date of service of the last notice of layoff/reduction-in-hours in lieu of layoff each seniority list by class and department in which an employee covered by this Agreement is to be laid off/reduced-in-hours in lieu of layoff. Each such list shall identify the employees to be laid off/reduced-in-hours in lieu of layoff and show the date of service of the notice of layoff/reduction-in-hours in lieu of layoff to each employee who is to be laid off/reduced-in-hours in lieu of layoff.

18.12 GRIEVANCE-ARBITRATION PROCEDURE

The grievance-arbitration procedure set forth in Sections 18.13 through 18.23 shall apply to grievances concerning the validity or timeliness of service of notice of layoff/reduction-in-hours in lieu of layoff, the order of layoff/reduction-in-hours in lieu of layoff, or the

identification of who is laid off/reduced-in-hours in lieu of layoff under the order of layoff/reduction-in-hours in lieu of layoff.

18.13 DEFINITION

A grievance is a complaint by one (1) or a group of employees or the Association involving the interpretation, application or enforcement of the express terms of this article, and asserting that an employee or employees have been not served with notice of layoff/reduction-in-hours in lieu of layoff, not timely served with notice of layoff/reduction-in-hours in lieu of layoff, misplaced within the order of layoff/reduction-in-hours in lieu of layoff, or incorrectly identified for layoff/reduction-in-hours in lieu of layoff under the order of layoff/reduction-in-hours in lieu of layoff, in violation of the terms of this article.

18.14 TIME, PLACE AND MANNER OF FILING

a. A grievance shall be filed on a form prescribed by the County. Each grievance shall state for each named employee the factual basis for the claim and the provision of the article allegedly violated. Any grievance on this subject which is not timely or does not meet the criteria established in this section shall be deemed invalid, null and void.

b. All grievances on this subject shall be filed with the County's Office of Labor Relations not later than seven (7) calendar days following the alleged violation. Any grievance which is not received by the Office of Labor Relations within seven (7) calendar days following the alleged violation shall be deemed invalid, null and void and a waiver of the employee's assert of their rights.

18.15 DELIVERY TO ASSOCIATION

The County shall deliver a copy of each grievance filed by an employee or group of employees to the Association not later than eight (8) calendar days following the date of filing.

18.16 COMPLAINTS BY ASSOCIATION

a. Not later than fifteen (15) calendar days following the date of delivery of copies of grievances by employees pursuant to Section 18.15 or twenty-two (22) calendar days after the filing of a grievance by the Association, whichever is earlier, the Association shall file a consolidated complaint with respect to all such grievances. The complaint shall name each employee previously named in a grievance, who the Association asserts has been not validly served with notice of layoff/reduction-in-hours in lieu of layoff, not served in a timely manner, misplaced within the order of layoff/reduction-in-hours in lieu of layoff, or incorrectly identified for layoff/reduction-in-hours in lieu of layoff. Any employee named in a timely grievance filed by the Association or a timely employee grievance, who is not so named in the complaint, shall be deemed to have been validly and correctly identified for layoff/reduction-in-hours in lieu of layoff under the order of layoff/reduction-in-hours in lieu of layoff.

b. By filing the complaint or by not filing a complaint, the Association shall have authority to waive the claims of employees which it elects not to assert.

c. The complaint shall be filed with and received by the Director of Labor Relations within fifteen (15) calendar days following delivery to the Association of the copies of employee grievances or twenty-two (22) calendar days following filing by the Association of its grievance, whichever is earlier.

18.17 ARBITRATION - SCHEDULING

Timely complaints shall be submitted to and determined by an arbitrator. Each arbitration proceeding shall commence not earlier than ten (10) calendar days and not later than thirty (30) calendar days following the date of filing of the complaint.

18.18 CONSOLIDATION OF PROCEEDINGS

a. It is understood that the County is entering into this type of agreement with exclusive representatives of other representation units of County employees. The County Executive or their designee shall be authorized to order the consolidation for purposes of hearing and decision of a complaint by the Association with one (1) or more complaints by exclusive representatives of other representation units, except as to unit representatives who file their complaints on dates which preclude the scheduling of the consolidated hearing.

b. Consolidation shall be effected by written notice by the County Executive to all unit representatives whose complaints are ordered consolidated. The written notice shall designate the arbitrator for the consolidated hearing from among those specified in Section 18.19-a., or in the event of their unavailability, the arbitrator selected pursuant to Section 18.19-b.

c. The Association shall be authorized to withdraw from the consolidated proceedings by serving written notice of withdrawal upon the County's Director of Labor Relations within five (5) calendar days after service of the notice of consolidation.

d. In the absence of agreement between the parties and the arbitrator, the arbitrator shall schedule the date, time and place of the hearing.

e. If the Association withdraws from a consolidated proceeding, the County shall have a right to a reasonable continuance of any hearing of the Association's complaint if necessary in order to avoid the hearing of more than one (1) complaint of a unit representative on the same day.

f. If the Association withdraws from a consolidated hearing, and subsequently an arbitrator makes a back-pay award under the Association's complaint, there shall be

subtracted from the amounts owing any and all back-pay attributable to the period, between the date of an arbitrator's decision on the Association's complaint and the date of an arbitrator's decision on the complaint which is the first one decided among those ordered to be consolidated.

18.19 APPOINTMENT OF ARBITRATOR

a. The parties to the proceedings shall be deemed to be the County and the Association, and no employee, group of employees or other persons shall be deemed to be parties to the proceedings.

b. The parties shall agree on an arbitrator. If they are unable to agree on an arbitrator, they shall jointly solicit from the State of California Mediation/Conciliation Service a list of five (5) arbitrators. After receipt of the list, the parties shall each alternate striking names from the list until one (1) name remains. If the sole remaining arbitrator declines appointment or is otherwise unavailable, the above process shall be repeated unless the parties are able to mutually agree upon an arbitrator.

18.20 HEARINGS

a. Except as otherwise mutually agreed or otherwise provided herein, the arbitration hearings shall be conducted in accordance with rules of the American Arbitration Association.

b. In the event complaints are consolidated for purposes of hearing and decision, all unit representatives shall present their complaints and evidence in support of their cases in chief before the County presents any rebuttal evidence and its case in chief as to any individual complaint or the complaints as a whole.

c. Whether or not the proceedings shall be consolidated, the parties to the proceedings shall be deemed to be the County and the Association (and other unit representatives, if any), and no employee or groups of employees shall be deemed to be parties of the proceedings.

18.21 QUESTIONS

In any arbitration proceedings on this issue, the questions to be decided by the arbitrator shall be limited to the following:

- a. Whether or not the notice of layoff/reduction-in-hours in lieu of layoff was served in a timely manner in compliance with the provisions of this article;
- b. Whether the order of layoff/reduction-in-hours in lieu of layoff complied with the terms of this article;

- c. Whether the identification of particular employees for layoff/reduction-in-hours in lieu of layoff violated the terms of this article;
- d. The remedy, in the event it is determined that layoff/reduction-in-hours in lieu of layoff did not comply with the terms of this article; and,
- e. The employee or employees who should have been identified for layoff/reduction-in-hours in lieu of layoff.

18.22 DECISION

The decision by the arbitrator shall comply with the following requirements:

- a. The decision shall be issued not later than ten (10) calendar days after the close of the hearing or hearings. The decision shall be in writing, shall specifically state the interpretation of this article rendered by the arbitrator, and the remedies, if any. The decision need not state the reasons, discussion or contain reasoning, so long as the interpretation by the arbitrator is specifically stated.
- b. The arbitrator shall not have jurisdiction or authority to order reinstatement, back pay or any other relief for any employee who is identified for layoff/reduction-in-hours in lieu of layoff in violation of the terms of this article, unless the employee has been identified in both a timely grievance and a timely complaint.
- c. The arbitrator shall not have jurisdiction or authority to revise the order of layoff/reduction-in-hours in lieu of layoff as to any employee except to the extent necessary to grant relief to an employee determined to have been assigned an improper order of layoff/involuntary reduction-in-hours in lieu of layoff alleged in both a timely grievance and a timely complaint.
- d. The arbitrator shall have authority, in the event of a determination that an employee incorrectly identified for layoff/reduction-in hours in lieu of layoff in a timely grievance and a timely complaint, to order the reinstatement of such employee with back pay. For each employee so reinstated, the arbitrator shall determine and designate the employee currently working for the County who should have been identified instead, and shall order the layoff/reduction-in-hours in lieu of layoff of each such employee. The order of layoff/reduction-in hours in lieu of layoff shall become effective fourteen (14) calendar days following service of the notice of layoff/reduction-in-hours in lieu of layoff which results therefrom pursuant to Section 18.10.
- e. Under no circumstances shall an arbitrator have jurisdiction or authority to order any remedy which either directly or indirectly permits the layoff/reduction-in-hours in lieu of layoff of fewer personnel than ordered by the County or which impairs the discretion of the County to determine the number of personnel within each department who will be employed.

- f. The arbitrator shall have no authority to add to, delete, or alter any provision of this article, but shall limit their decision to the application and interpretation of its express provisions.
- g. The decision of any arbitrator shall be consistent with prior decisions of other arbitrators, and subsequent arbitrators shall be bound by those interpretations.
- h. The decision of the arbitrator shall be final and binding as to all matters within their jurisdiction.

18.23 COSTS

The fees and expenses of the arbitrator and court reporter shall be shared equally by the parties. In the event of consolidated proceedings, the arbitrator shall prorate the costs to individual representation units, and the County and unit representatives shall share such costs equally.

DIVISION C – REEMPLOYMENT/RETURN

18.24 ENTITLEMENT

With respect to classes covered by this article, reemployment/return to full-time employment entitlements shall be as follows:

- a. A person who held permanent status in the class from which the person was laid off, shall during the two-year period following the effective date of layoff be entitled to be appointed from a departmental reemployment list to a vacancy authorized to be filled in that class within the department from which the person was laid off pursuant and subject to the provisions set forth in this division.
- b. A person who held permanent status in the class from which he or she was laid off, shall also, during the two-year period following the effective date of layoff, be entitled to certification from a County-wide reemployment list for a vacancy in the class from which the person was laid off, which is authorized to be filled, pursuant and subject to the provisions set forth in this division.
- c. An employee who has permanent status in the class in which the employee has been reduced-in-hours in lieu of layoff shall be entitled to be returned from a departmental return to full-time employment list to a vacancy authorized to be filled in that class within the department in which the employee is currently assigned pursuant to and subject to the provisions in this division.

18.25 TYPE OF POSITION

The entitlement to appointment or certification applies whether the position in which the vacancy occurs is regular, temporary or limited-term.

18.26 LIMITED-TERM

Personnel serving under limited-term appointments shall not be entitled to reemployment/return rights or to placement on either a departmental or County-wide reemployment list or a departmental return to full-time employment list, whether or not they held permanent status as limited-term appointees in the class from which they were separated or reduced-in-hours in lieu of layoff.

18.27 DEPARTMENTAL LISTS FOR RETURN-TO FULL-TIME EMPLOYMENT

The County shall prepare a departmental list for return to full-time employment for each class in each department in which employees have been reduced-in-hours in lieu of layoff. All employees with permanent status in a class in a department who have been reduced-in-hours in lieu of layoff shall be added to the list for the class and department in which the reduction-in-hours occurs. Employees who have voluntarily been reduced-in-hours shall be placed on the return to full-time employment list as provided in Section 18.6. The order of employees on the departmental list for return to full-time employment shall be based upon seniority as provided in Section 18.5. Employees who acquire permanent status in the class subsequent to the effective date of their reduction-in-hours in lieu of layoff shall be added to the return to full-time employment list on the date they attain permanent status.

18.28 DEPARTMENTAL REEMPLOYMENT LISTS

a. The County shall prepare a departmental reemployment list for each class in each department in which an employee with permanent status in that class is laid off. As personnel are separated from a class in which they hold permanent status, their names shall be added to the list for the class and department in which the layoff occurs. The order of personnel on each departmental reemployment list shall be based upon seniority established in the class to which the list refers, as determined under Division A.

b. Notwithstanding any provision of this article to the contrary, the order of names on departmental reemployment lists shall be derived from (by inverting) the order of layoff prescribed by layoff lists, as the order of layoff may be modified by agreement between the parties or award under grievance arbitration proceedings commenced pursuant to layoff under Division B. The purpose of this provision is to insure that disputes concerning the order of layoff and of departmental reemployment lists are raised and settled at or near the time of layoff, and not at the time reemployment is sought.

18.29 COUNTY-WIDE REEMPLOYMENT LISTS

a. The County shall prepare County-wide reemployment lists for each class from which personnel with permanent status in the class were laid off. Each list shall constitute a merger of persons who were laid off from the class and who held permanent status therein.

b. The order of personnel on each County-wide reemployment list shall be based upon seniority according to the date of original appointment to the class to which the list refers, as determined under Division A.

18.30 RETURN, APPOINTMENT AND CERTIFICATION PRIORITIES

The following priorities shall apply in relation to vacancies in classes to which the entitlement to return, appointment or certification is applicable.

- a. Whenever a vacancy in a full-time position in a class in a department is filled, it may first be filled pursuant to the authority of Subsection 18.6-b. Otherwise, it shall be filled from the departmental return to full-time employment list for the class in which the vacancy exists and for the department in which the vacancy exists. Employees who have been reduced-in-hours in lieu of layoff shall be returned to vacancies in the order of the list. If the vacancy is not filled as provided in this subsection, then;
- b. A vacancy in a class shall be filled first from the Medical Center transfer eligible lists prescribed in Section 7.7(d) of the Civil Service Rules, as that section existed prior to August 15, 1974. If the vacancy is not filled by appointment from the Medical Center transfer eligible list, then;
- c. The vacancy shall be filled from that departmental reemployment list for the class in which the vacancy exists and for the department in which the vacancy exists. Persons shall be appointed to vacancies in the order of the list.
 - (1) One (1) person shall be offered an appointment for each vacancy in accordance with the order of the list. If that person declines appointment, the next person in order shall be offered appointment.
 - (2) A person to whom an appointment is intended to be offered may be contacted personally and may accept appointment orally. A person shall not be deemed to have declined appointment unless the person has done so in writing, or unless written notice of the offer of appointment has been transmitted by certified mail to the person's last known address, and the person has failed to accept the

appointment in writing within five (5) calendar days following the date of mailing of the notice.

- d. No persons shall be certified for appointment from a County-wide reemployment list to a vacancy in a class until there are no longer any names on that departmental reemployment list for the class within the department in which the vacancy exists or all persons on that departmental reemployment list have declined appointment to that vacancy. In such event, the names of three (3) persons shall be certified from the County-wide reemployment lists for the class in which the vacancy exists in accordance with the order of the list. The names shall be certified to the appointing authority for the class in which the vacancy exists, who shall have discretion to offer the appointment to one (1) of the three (3). If there is more than one (1) vacancy, an additional name shall be certified for vacancy in excess of one (1).

- (1) For each person who declines an offer of appointment, an additional name shall be certified.
- (2) A person on the County-wide reemployment list shall be deemed to have declined appointment under the same circumstances and in accordance with the same procedure as is specified in Section 18.30-c.(2).
- (3) If there are fewer than three (3) names on the County-wide reemployment list, a rank or ranks of additional names shall be certified from regular eligible lists so as to provide a total of not less than three (3) persons available for appointment.

18.31 REMOVAL FROM RETURN TO FULL-TIME EMPLOYMENT LIST

An employee shall remain on the departmental return to full-time employment list for a classification only as long as the employee retains employment in the reduced-in-hours position for that classification. Additionally, an employee shall be retained on the list, but not certified, as long as the reduced-in-hours position is voluntarily held (for example, the employee requests the reduced-in-hours position and is accepted pursuant to the provisions of Section 18.6). Personnel shall not be deemed removed from such lists by virtue of appointment to any temporary or limited-term position in any class.

18.32 REMOVAL FROM DEPARTMENTAL REEMPLOYMENT LISTS

The names of persons shall be deemed removed from departmental reemployment lists and their entitlement to appointment from such lists terminated, as follows:

- a. Upon the expiration of two (2) years following the effective date of layoff of each person.
- b. As a result of appointment to a regular position within County service in a class which is the same as the one for which the list exists or which, at the time of appointment, is equal to or higher than the one for which the list exists in salary when measured at the top step of the salary schedule (personnel shall not be deemed removed from such lists by virtue of appointment to any temporary or limited-term position in any class).
- c. Upon declination of appointment from the list, under the same circumstances and in accordance with the same procedure as is specified in Section 18.30-c.(2) except in instances where the person states in writing that he or she temporarily is medically incapacitated.
- d. In the event a person states in writing that he or she does not desire appointment from the list, or fails to file a written statement expressing their desire for appointment within five (5) calendar days following certified mailing to the person's last known address.

18.33 REMOVAL FROM COUNTY-WIDE REEMPLOYMENT LISTS

The names of persons shall be deemed removed from County-wide reemployment lists and their entitlement to certification from such lists terminated as follows:

- a. Upon the expiration of two (2) years following the effective date of layoff of each person.
- b. As a result of appointment to a regular position within County service in a class which is the same as the one for which the list exists or which, at the time of appointment, is equal to or higher than the one for which the list exists in salary when measured at the top step of the salary schedule (personnel shall not be deemed removed from such lists by virtue of appointment to any temporary or limited-term position in any class).
- c. In the event a person states in writing that the person does not desire appointment from the list, or fails to file a written statement expressing the person's desire for appointment within five (5) calendar days following certified mailing, to the person's last known address.
- d. Removal from the departmental reemployment list. The removal shall be from that County-wide reemployment list for the class to which the departmental reemployment list applied.
- e. Except as provided in paragraph c. of Section 18.32, a person shall be authorized to decline appointment to a class to which the person has been certified by submitting a written statement which objects to the appointment

on the basis of the identity of the department, geographical location of the job, or shift schedule of the job. Such a declination shall not result in removal of the person from the County-wide reemployment list. The person shall not thereafter be certified for appointment to a vacancy which falls within the description of the written objection.

18.34 EFFECT OF REEMPLOYMENT

When a person is reemployed from either a department reemployment list or a County-wide reemployment list, the period of unemployment following the layoff shall not be treated as an interruption of service for purposes of reestablishing salary, benefits or seniority. The period of such unemployment shall be treated as County service for seniority purposes. However, with the exception of seniority, the period of unemployment shall not be treated as County service for any other purposes.

18.35 SERVICE OF REEMPLOYMENT LISTS

a. Not later than January 1 of each year, the County shall serve by mail upon the Association a set of copies of all County-wide reemployment lists, all departmental reemployment lists and all departmental return to full-time employment lists for classes covered by the Agreement. Such service shall be made once, and shall include all such lists prepared as a result of all layoff/reduction-in-hours which have occurred between July 1 and the date of service.

b. Not later than July 5 of each year, the County shall serve by mail upon the Association a set of copies of all County-wide reemployment lists, all departmental reemployment lists and all departmental return to full-time employment lists for classes covered by the article. Such service shall be made once, and shall include all such lists prepared between the date of service pursuant to Paragraph a. above, and June 30, inclusive.

18.36 GRIEVANCE-ARBITRATION PROCEDURE

The grievance-arbitration procedure set forth in Sections 18.37 through 18.43 shall be applicable only to disputes arising under Division C of this article.

18.37 EXISTENCE, ORDER AND CONTENTS OF REEMPLOYMENT LISTS

a. Except as provided in this section, no employee, person or other entity shall be authorized to grieve, dispute or otherwise challenge a reemployment list or return to full-time employment list established pursuant to this article.

b. No later than twenty (20) calendar days following each service of reemployment lists upon the Association, the Association shall be authorized to file a grievance asserting that the County has failed to establish a reemployment list or return to full-time employment list required by this article, has established a reemployment list or

return to full-time employment list prohibited by this article, the order of personnel contained on any one (1) or more of the lists violates the provisions of Sections 18.24, 18.26, 18.27, 18.28, or 18.29 above, that personnel have been placed on a list in violation of said sections, or that personnel have been omitted from the lists in violation of said sections.

c. The grievance shall specifically identify:

- (1) The list or lists to which the grievance refers;
- (2) The nature of the alleged violation or violations, the facts on which the alleged violations are based, and the section or sections of this article violated.
- (3) The names of any personnel alleged to have been erroneously placed upon or omitted from the list or lists; and
- (4) The changes in lists alleged to be required in order to remedy the alleged violations.

d. The grievance shall be filed with the County's Director of Labor Relations, and shall be received by the Director not later than twenty (20) calendar days following service of the lists pursuant to Section 18.35.

e. The failure of the Association to file a grievance within the time required herein shall constitute a waiver of the right to challenge the matters referred to in this section, which is binding upon the Association and all other persons.

18.38 OTHER MATTERS

a. Except as to matters referred to in Section 18.37, the Association and any persons laid off from a class or reduced-in-hours in lieu of layoff in a class covered by this article shall be authorized to file a grievance alleging a violation of Sections 18.24 and 18.34.

b. Such grievances shall be filed on forms prescribed by the County with the County's Director of Labor Relations not later than ten (10) working days after the event or circumstance occasioning the grievance. Any grievance not received by the Director within said period shall be deemed invalid, null and void.

c. Any grievance filed pursuant to this section other than one filed by the Association shall be transmitted by mailed copy to the Association not later than five (5) calendar days after is it filed.

18.39 PRE-ARBITRATION HEARING

a. A hearing shall be held by the County Executive or their designee on all grievances filed pursuant to the provisions of Sections 18.37 and 18.38, not later than ten

(10) working days following the date of filing. The Association shall be given advance written notice of the time, date and place of all such hearings, and shall be authorized to appear and participate therein.

b. If the County Executive or their designee determines that a grievance shows a violation of this article and is otherwise timely and within the scope of the grievance arbitration provisions, he or she shall be authorized to take all actions necessary to grant relief, including the layoff of any employees who have been employed in violation of the provisions of this division relating to reemployment or the reduction-in-hours in lieu of layoff of any employee returned to full-time status in violation of the provisions of this division relating to return to full-time employment.

c. The County Executive or their designee shall issue a written decision not later than five (5) working days following the date of the hearing, and shall mail copies to the grievant or grievants and the Association.

18.40 REQUEST FOR ARBITRATION

If the Association is dissatisfied with the decision of the County Executive or their designee, it shall be authorized to file a request for arbitration.

- a. The request for arbitration shall be in writing, and shall be filed with the Director of Labor Relations not later than seven (7) calendar days after mailing of the decision of the County Executive or their designee. If the Association fails to file a request for arbitration within the time required, the decision by the County Executive or their designee shall be deemed final, binding and conclusive upon all issues determined therein.
- b. In formulating and filing the request for arbitration or by not filing a request for arbitration, the Association shall have authority to waive the claims of persons who have filed grievances or others which it elects not to file. The failure to assert such claims shall be deemed to be a waiver of such claims and rights which is binding upon the Association, the persons who have filed grievances, and the personnel covered by this article.

18.41 ARBITRATION SCHEDULING

The parties to the proceedings shall be deemed to be the County and the Association, and no employee, group of employees or other person shall be deemed to be parties to the proceedings.

The parties shall agree on an arbitrator. If they are unable to agree on an arbitrator, they shall jointly solicit from the State of California Mediation/Conciliation Service a list of five (5) arbitrators. After receipt of the list, the parties shall each alternate striking names from the list until one (1) name remains. If the sole remaining arbitrator declines appointment or is otherwise unavailable, the above process shall be repeated unless the parties are able to mutually agree upon an arbitrator.

18.42 DECISION

The decision of the arbitrator shall comply with the following requirements:

- a. The decision shall be issued not later than ten (10) calendar days after the close of the hearing. The decision shall be in writing, shall specifically state the interpretation of this article rendered by the arbitrator, and the remedies, if any. The decision need not state reasons, discussion or contain reasoning, so long as the interpretation by the arbitrator is specifically stated.
- b. The arbitrator shall not have jurisdiction or authority to revise the order of either a County-wide reemployment list, departmental reemployment list or a departmental return to full-time employment list as to any person on such a list who has not been alleged in a timely grievance to have been placed in incorrect order thereon, except to the extent necessary to grant relief to a person determined to have been placed in incorrect order who was so alleged in a timely grievance.
- c. The arbitrator shall not have jurisdiction or authority to invalidate the employment of any person who has been reemployed from either a County-wide reemployment list or departmental reemployment list or to grant any relief to a person on such a list who should have been so reemployed or certified for appointment, except as to persons named in a timely grievance.
- d. Any new causes or allegations shall be deemed denied and any objections to the amended or supplemental causes or allegations may be made orally at the hearing.

19.11 DISCOVERY

a. Permissible discovery: Pursuant to the procedure set forth in Subsection c. below, any party to the arbitration hearing may obtain the following information in the hands of or which may reasonably be obtained by the responding party or the responding party's representative (As used herein, "responding party" shall mean the person of whom the information is requested.):

If the requesting party disputes the claim of privilege or confidentiality, the arbitrator shall resolve the claim. In resolving the claim, the arbitrator may order that the writing or other material be deposited with the arbitrator in a sealed container. In ruling on such claims, the arbitrator may grant or deny the claim of confidentiality or privilege in whole or in part. The arbitrator shall have no authority to resolve any claim concerning material which by statute may only be released by court order. If the arbitrator determines that the material is confidential, but limited disclosure is necessary, the arbitrator may impose conditions upon the use or disclosure of the item by the requesting party. If the arbitrator determines that the material requested is subject to an evidentiary privilege, the decision regarding disclosure of the matter shall be strictly governed by the provisions of the Evidence Code.

c. Procedure for discovery:

- (1) Personal service: At any time after the hearing date has been set for an appeal, but in no event later than thirty (30) calendar days before the date set for such hearing, any party may personally serve a written request upon the responding party, or representative of record, for any or all of the information set forth in Subsection (a) above.

Such response shall be served upon the requesting party, or representative of record, by the same means as service of the request was made.
- (4) Request to be deemed continuing request: The discovery request is a continuing request, which requires a continuous response. Where new or additional information becomes available to the responding party, such information shall forthwith be furnished to the requesting party, or representative of record.
- (5) Negative response: In the event the responding party does not have an item of the information requested, the responding party shall give a written negative response as to that particular item within the time specified for response, but shall respond fully as to the information which the responding party does possess. The responding party shall comply with (4) above after such negative response.
- (6) Disputes: Any dispute between parties regarding discovery shall be resolved by the arbitrator.
- (7) Penalties for failure to comply: The arbitrator shall impose penalties for failure to comply with this subsection. The following penalties may be imposed:

- (a) Exclusion of evidence;
- (b) Continuing the hearing at any stage; or
- (c) Upon proof of a willful or repeated violation, the arbitrator shall determine the issue against the noncomplying party.

b. The employee shall be represented by the Association.

c. The employee shall be entitled to appear personally at the hearing and produce evidence.

d. The appointing authority may also be represented by counsel.

e. At the hearing, the appointing authority shall have the burden of going forward first with evidence in support of the allegations contained in the order of disciplinary action and shall have the burden of establishing the facts by a preponderance of the evidence. The arbitrator may administer oaths and take official notice of facts as authorized by law.

f. Oral evidence shall be taken only on oath or affirmation.

g. A court reporter shall take a transcript of the hearing.

h. The arbitrator may consider the records or any relevant prior disciplinary actions against the employee which are final, and any records contained in the employee's personnel files if such records were introduced at the arbitration hearing.

i. Each party shall have these rights: To call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness; and to rebut evidence. The appellant may be called and examined as if under cross-examination.

j. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they

are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

19.13 SUBPOENAS

Before the hearing has commenced, or during the hearing, the arbitrator shall have the power to issue subpoenas in accordance with Section 1282.6 of the Code of Civil Procedure.

19.14 DECISION

a. Following the hearing, the arbitrator shall promptly prepare and submit to the parties to the hearing a decision in the case within thirty (30) calendar days. The decision shall contain and be limited to specific factual findings relating to the facts alleged in the disciplinary order and any facts asserted by the appellant for purposes of defense or mitigation; a determination of legal issues, if any; a determination of whether the facts found constitute good cause for discipline; and an order that affirms, modifies or sets aside the order of disciplinary action imposed by the appointing authority.

b. In determining whether there is cause for discipline, the arbitrator shall independently review the sufficiency of the evidence supporting the charges. If good cause for the disciplinary action is found under this independent review standard, the arbitrator shall not modify or reduce the penalty imposed by the appointing authority unless the arbitrator issues written findings demonstrating that there is clear and convincing evidence that the level of such discipline is improper.

19.15 FINALITY OF DECISION

The decision of the arbitrator shall be final and binding.

19.16 COSTS

The fees and expenses of the arbitrator, the court reporter, and the transcript, if any, shall be shared equally by the Association and the County

19.17 WITNESSES

The County agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant to this article. The employee and Association agree that the number of witnesses requested to attend and their scheduling shall be reasonable.
