Welfare Supervisory Unit
To
Sacramento County

The Union proposes the following for notification of New Hire or Bargaining Unit Member separation from county employment.

1. The County shall notice the Union and Chapter President of any new employee entering into the bargaining unit. Notice shall be given in the first full pay period of said employment. Included in this notice shall be the new employee's name and unit assignment.
2. By the first full pay period of a departure of an employee from the bargaining unit, the County shall notice the union and provide the name and date of separation of said employee.

The Union reserves the right to add to, amend, delete from or otherwise alter, amend or modify in whole or in part its proposals during the course of negotiations at any time for any reason.
