

**LETTER OF UNDERSTANDING
BETWEEN
COUNTY OF SACRAMENTO
AND
ENGINEERING TECHNICIANS AND TECHNICAL INSPECTORS**

August 7, 2025

CalGreen Inspector/Plans Examiner Certification Incentive Pay Eligibility

This Letter of Understanding clarifies an error in the 2025-2028 Agreement between County of Sacramento and Engineering Technicians and Technical Inspectors (ETTI) regarding certifications eligible for incentive pay under Section 6.11 – Incentive Pay for Building Inspector II Certifications.

The CalGreen Inspector/Plans Examiner certification has replaced the Green Building–Residential Examiner certification listed in Section 6.11. However, due to an administrative oversight, the update was only made in Section 6.11(d)(9) for Building Inspector I classifications and not in Section 6.11(e)(10) for Building Inspector II Range A classifications assigned to the Building, Permits, and Inspections Division.

The parties agree that employees in the Building Inspector II Range A classification assigned to the Building, Permits, and Inspections Division are eligible for incentive pay provided by 6.11(e)(10) with the CalGreen Inspector/Plans Examiner certification and that the Green Building–Residential Examiner certification no longer qualifies for incentive pay under Section 6.11.

This error will be corrected in the successor agreement.
